*You will need a **passport** and a current **Tetanus Shot**.*

There will be an orientation meeting scheduled sometime before the trip to go over customs, airport safety, money exchange and any other details or questions you may have about the trip. This is also a good time to get to know one another.

It would surprise you to see what a huge help a small group can be to encourage the family of God in another country. We will build relationships with the churches and the Nationals who become part of our team. Part of your funds go to help support the Nationals who will be coming to work and fellowship with us.
