Location:

Crossroads Church of the Nazarene

2750 Rogers Ave

Ellicott City, MD 21043

Bob Prescott - Coordinator of Partnerships:

All his life, Bob has helped spend other people's money!

- As an MK (missionary's kid) for 12 years in Cuba, he helped spend the modest salary his parents Lyle and Grace Prescott received from your General Budget giving.
- During his 30 year career with the Department of Housing and Urban Development (HUD), Bob spent a many millions of your tax dollars housing seniors and low income families, and providing them with social services.
- For 14 years, Bob helped give away your donations to Nazarene Compassionate Ministries, as well as your banana boxes of clothing, Crisis Care Kits and School Pal Paks. During this time he visited 67 countries and helped organize NCM on all six regions.
- For over 10 years, Bob coordinated partnerships by connecting individuals and churches with specific parts of the mission field where they could make a personal investment of time and resources to help accomplish the Great Commission. His knowledge of Spanish has made him a "natural" to facilitate partnerships with Latin America, including the Caribbean, Mexico/Central America, and South America regions.
- From 2012-2015, Bob also facilitated travel and teams to Cuba, where over 1000 people invested time and talent to reconstruct old church properties and build several new ones. In 2015, Bob personally accompanied 13 teams to the Mesoamerica Region, including 8 to Cuba.
- While doing all of the above, Bob also planted 4 new churches in Puerto Rico, California and New York...2 in English and 2 in Spanish.

Bob and his wife Bernice live on our Mid-Atlantic district where he served for 13 years as district NMI President. He is a retired licensed minister, but is currently involved in growing a Hispanic ministry at his home church in Severn, Maryland.
