Dear Pastor,

Greetings in the majestic name of our Savior, Jesus Christ, from your Mid-Atlantic District NMI.

Thank you for supporting and encouraging your NMI President or missions leader this year. And thank you for helping to mobilize your congregation in global missions if your church does not have an active NMI President!

You will find the **Local NMI Report** form for 2019 on this flash drive. If you have an active NMI President or missions leader, please work with them to complete this report and return it to me. If your church does not have an active NMI President or missions leader, please complete this report yourself and return it to me. Every church should complete and submit this report!

The report is due on or before **February 13, 2019**. This is the same date as your reports for the District, so please be sure to complete and return this report by that time.

Communications will go out to Pastors and NMI leaders as information is available about the missions events at Mission Advance. Please be on the lookout for them. Info will also be posted on the NMI pages of our manaz.org website soon.

Blessings,

A handwritten signature in cursive script that reads "Sharon E. Kessler".

Mid-Atlantic District NMI President
