28 February 2020

Dear Prospective Team Members,

I'm excited to be informing you of our District Work and Witness plans to work at La Industrial church in Panama City, Panama. The church is a plant with an average attendance of 32 who has an active community outreach ministry for needy children. Their goal is to apply for Child Sponsorship funding through NCM, which can happen as soon as they finish their kitchen and restrooms. The Builders' Club sent \$2000 to help start the construction, and now we are sending a team to continue (and hopefully finish!) this project, helping to further God's work at La Industrial Church.

Where: La Industrial Church, Panama City, Panama

When: April 17th through April 26th, 2021

Project: Complete the kitchen and restrooms so the church can apply for NCM Child Sponsorship funds.

Cost: \$1800 – includes a couple days of tourism in Panama.

Suggested payment schedule: \$300 deposit with application --- \$150 monthly for 10 more months.
All monies must to be paid in full by March 15, 2020.

Please make all checks payable to **Mid-Atlantic District NMI Treasurer** and mail to me at the address included on the heading of this correspondence. All funds are fully refundable up to the date of utilization.

All applications will be numbered as I receive them and there will be a waiting list if that becomes necessary.

After I receive your application, I will send you information that is timely and pertinent to the trip. Please save all correspondence relating to this W&W trip as you may need it for later reference.

I pray that God will speak to your heart concerning your involvement in the endeavor and I trust you will earnestly seek God's leading as you respond to this opportunity to serve.

Blessings,

Jeremy

Addendum:

Our District Work and Witness trips are under the umbrella of the General Church's Volunteer Ministries. Therefore, while we are on such trips we are expected to comply with the Christian Conduct Standards as spelled out in the manual of the Church of the Nazarene. A copy of that Covenant can/will be provided to you upon request. One of our greatest desires is that people become involved in the W&W Program. We do not wish for anything to hinder your participation in this being a positive and rewarding experience for all involved. Please talk with the District Work & Witness Coordinator if you have any questions or concerns about an area in your life that would potentially compromise the witness of the Church of the Nazarene while on the Field.

Work & Witness Insurance Coverage Summary – International Trips

To help you understand the Work and Witness insurance which our General Board of the Church of the Nazarene (Headquartered in Lenexa, Kansas) requires for all team members, I have summarized the coverage below. Please read this carefully, sign, and return to me so I know you read/understand this coverage and are willing to accept responsibility for your part. (You may want to make and keep a copy for your records.) This is not a complete policy disclosure, but is intended to provide basic information. **A complete policy disclosure should be read/printed from the www.workandwitness.org website.** (Click on resources and choose W&W Global Insurance Policy Brochure.)

Insurance Summary:

1. Accidental injury or illness maximum coverage is \$100,000 or 26 weeks from date of injury/illness – whichever comes first. There is now a \$5,000 benefit amount for pre-existing conditions. There is now a \$1000 benefit amount for dental treatment.
2. Accidental Death & Dismemberment limit is \$75,000 (with a policy aggregate limit of \$375,000).
3. Emergency evacuation limit of \$100,000. (Evacuation is to the nearest safe country and must have W&W office authorization.)
4. Repatriation of Mortal Remains limit is \$25,000. This will return body to home country. (Must have notified the W&W office at the first sign of serious medical problems or sudden death.)
5. There is a 10% additional accidental death benefit up to \$15,000 maximum if a seat belt and/or air bag was verifiably functioning and properly used.
6. Approved security evacuation maximum benefit of \$100,000.
7. There is now a \$100 deductible claim allowance (all claims must still be submitted for processing, but you will be reimbursed after meeting the deductible allowance per claim). The plan pays 100% up to the stated maximums minus the deductible.
8. You must be initially treated on the field during the dates of coverage for the policy to cover follow-up care when you get home.

Procedure Summary:

1. You must contact the W&W office ASAP to notify them of any hospitalization. The Field Strategy Coordinator should also be notified ASAP.
2. You are responsible to pay for all medical expenses at the time of service. After claim forms are submitted and processed, the insurance company will reimburse you based on policy.
3. All initial receipts should have the exchange rate and person to be reimbursed clearly noted. Receipts and bills must be received by the Church of the Nazarene's Mission Personnel Office within 20 days of the date that treatment was received.

I have read and understand the insurance coverage provided to me as a member of this Work & Witness team.

NMI is the global missions advocate in every local church, nurturing the spirit of missions, mobilizing into action, impacting the world. NMI helps produce missionaries, assists in sending missionaries to the field, supports missionaries on the field, educates individuals and congregations as to the missionaries' work on the field, welcomes missionaries when they return for home assignment, helps equip missionaries to return to the field, prays for missionaries at home and abroad, and helps provide for their retirement needs. NMI encourages people to pray for all efforts of world evangelization, informs people of the world's needs and what the church is doing to meet those needs, challenges children and youth to learn about and participate in the mission of the church and helps raise funds for missions outreach. Focusing on the Top 5 Areas of Impact, NMI mobilizes the local church in missions and keeps congregations engaged in Nazarene Missions globally.

In 2019, 15 shipments (plus local distributions) with a Fair Market Value of \$1.7 million USD, were sent to world areas and in the States for disaster relief and vulnerable people support efforts.

Builders' Club is a group of people who are passionate about supporting the work of missions both on our district and around the world.

Since 1980, individuals on the Mid-Atlantic District have joyfully donated \$10 per quarter (usually on the 5th Sunday month, totaling \$40 annual contribution) for the underwriting of mission trip and mission building expenses on the Mid-Atlantic District and abroad. These funds are usually gifted as "matching grants" to projects approved by the District NMI Council.

CLUB

Contributors to the Builders' Club fund receive quarterly updates from Mr Art Kilpatrick, detailing usage of monies and providing an opportunity to again make donations on the 5th Sunday.

Questions?

Contact Sharon E Kessler – sharonekessler02@gmail.com

1. Gather **NEW** items in quantities listed below. Assemble Crisis Care Kits (CCKs) and seal the Ziploc bags. Include **only those items listed below. Deviating from this list can cause an entire shipment to be rejected in customs.** Set the CCKs in groups of six (6) to determine the number of banana boxes needed.
2. Pack contents below into a clear 2-gallon OR 2.5-gallon plastic Ziploc bag and seal:
 - 1 medium-size bottle of shampoo (12-18 oz.), please tape flip-tops closed
 - 2 bars of soap (bath-size or larger)
 - 1 medium toothpaste (4.0-6.4 oz.)
 - 3 toothbrushes (In original packaging)
 - 1 box of Band-Aids (30 or more)
 - 1 fingernail clipper
 - 1 sturdy hair comb
 - 2 hand towels (no small washcloths)
 - 4 pocket-size packages of facial tissue
 - 1 Beanie Baby-size stuffed toy
3. Obtain the banana boxes from your local grocery store. **Please ship CCKs solely in banana boxes, as they provide uniformity, eliminating wasted space in shipping.**
4. Cut the heavy brown paper (usually found in the banana box) in half and place inside the bottom of the box. Tape the other half over the hole in the lid. (Plain cardboard may be used in the same way if your banana boxes are missing the paper.)
5. Fill each box with **six (6) CCKs—no more, no less.**
6. **Do not insert money or literature** (including anything with the church's name on it, notes, etc.) in the CCKs or banana boxes.
7. Using strong packing tape, cover all holes in the top and the bottom of the box. Then tape the box securely shut. Please leave box handles open; this makes it easier to load and unload.
8. When addressing the box, please put the name and address of the church (or individual donor) on the box in the "From" section and the address of the warehouse in the "To" section.
9. **Do not wrap banana boxes** in brown paper or contact paper or put filled banana boxes inside another box.
10. Send the boxes to the following (depending on method of shipping or originating location):

For Shipping via the Postal Service:

**Nazarene Relief Shipments
P.O. Box 117
Fawn Grove, PA 17321- 0117**

For Shipping Other than Postal Service:

**Nazarene Relief Shipments
5300 Fawn Grove Road
Pylesville, MD 21132**

11. Send a check—made payable to **Global Treasury Services, Church of the Nazarene**—in the amount of **\$12.00 per banana box** (for storage and shipping costs during the distribution process). Include the **name and address of your church** with the check. Ten Percent Credit will be allowed for the \$12.00 shipping donation only. **Do not put the money in the CCKs or banana boxes.**

Mark the check, "**Nazarene Relief Shipments ACM1297,**" and mail to:

**Global Treasury Services
PO Box 843116
Kansas City, MO 64184-3116**

1. Reuna **NUEVOS** elementos en cantidades que figuran a continuación. Ensamble Crisis Care Kits (CCK) y sellelas con las bolsas de Ziploc. Incluya **sólo los elementos** que se enumeran a continuación. Cambiar esta lista **causará que sea rechazado en la aduana y hacer de nuevo un cargamento entero**. Establezca los grupos de seis (6) CCK, para determinar el número de cajas de bananas que enecesitará.
2. El Paquete debe ser una bolsa de plástico Ziploc 2 galones o 2.5 galones clara y con sello, debe contener lo siguiente:
 - 1 Champú de botella mediana (12-18 oz.) Por favor sellelos bien con cinta flip-tops (para que no se desparrame).
