In July 2019, Rev. Lenae Ross accepted the call to be sent out by City On A Hill Community Church (Columbia, MD) to plant a new congregation in Maryland's state capitol of Annapolis. Pastor Lenae's objectives in this initial period were to get to know the Eastport neighborhood; prayerfully discern how God is moving here; and begin to build a strong partnership with La Iglesia Del Nazareno Jesus Te Ama, the Spanish-speaking congregation that has been worshipping and serving from the Bay Ridge Avenue location for the last 20 years. Jesus Te Ama graciously offered (and has since provided) much assistance to Hope Rising over the past 10 months.

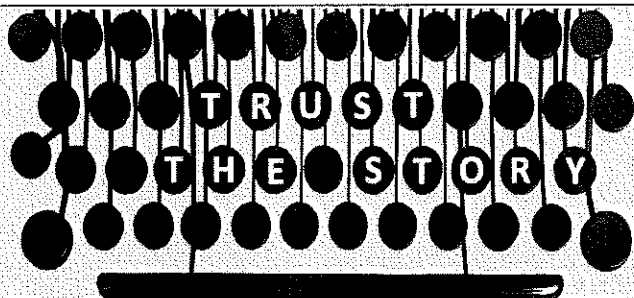

By Summer 2020, Lenae will have visited 10 district churches, all of whom have generously extended their support through prayer, counsel, and resources! Lenae is grateful for the guidance and encouragement of so many of her peers. Since October, HR's Core Team has grown to 10 adults, and two families from the neighborhood have joined Hope Rising at the table for bi-monthly Dinner Church worship gatherings. In January and February, we hosted a Family Winter Jam as well as a Kids Night! In March, we will begin hosting indoor playgroups on weekday mornings to help parents of little ones in our community connect with one another and introduce them to Hope Rising. We are also establishing relationships with our local elementary schools.

Hope Rising's public launch is set for Easter 2020. In our initial months, we pray to grow, welcome our first members, and baptize new believers into the Body of Christ! We thank God for His provision and vision for this work!

This has been a year of ups and downs for Dundalk Church of the Nazarene. In June we celebrated the 60th anniversary of ministry as a church in Dundalk. It was great to have some former pastors, the son of a former pastor, and some past members of the church visit with us to celebrate. We were also able to fix up our fellowship hall, replacing drywall and water proofing an outside wall. We were also the recipients of chairs from the Westminster Church of the Nazarene. These will be used to do some upgrading in our sanctuary in the future.

This has also been a challenging year as our church has been hard with loss. In June we lost our last charter member. In August we lost long time member and wife of our lay minister, Pat Skarupa. In September we lost our head trustee and overall great guy, Lynn Sowden. The past several months have been focused on encouraging, supporting and strengthening the church through these losses.

Our goal for this year is to grow by 30% and complete some major updates to the building.

By God's help 0 have been baptized this year (but we are close to having 1).

Our little organization is actually three AMAZING ministries, namely:

- a Church of the Nazarene

We are a Church that believes in the "Articles of Faith" and in the "polity" of the traditional "Church of the Nazarene." We have pews, we have stained glass windows, and yes, we have Nazarene hymnals; (we also have a projection system). We have lively modern Praise & Worship, with both contemporary and traditional music. We observe "The Lord's Table" on the 1<sup>st</sup> Sunday morning of each month. And, we truly CARE ABOUT EACH OTHER.

Our motto is: "God First...and Families, too!"

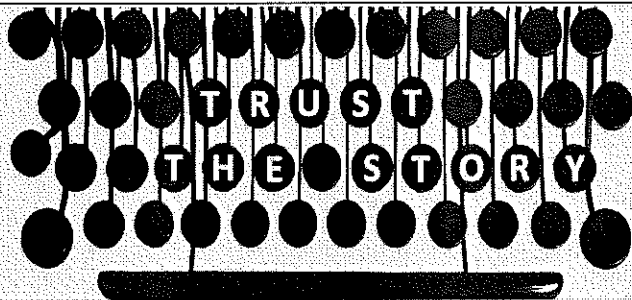

- a Christian Daycare

We have lots of children (currently, 73 kids). They learn Bible stories, they learn the ABC's, they learn social skills, and they worship each week in the Sanctuary in "Children's Chapel." They know Jesus' name, and they know He is in Heaven praying for us right now!

Our motto is: "Prayer and Loving Care...that's What We Do!"

- a "Prayer Place"

We have a large "Prayer Place" just in front of the Sanctuary that is dedicated to the Lord for His people to come and pray. It has an electronic lock system, so that our people can enter any time, day or night to pray. It helps us fulfill Jesus' statement, "My house is a house of prayer."

Hope is the word that would describe the Bedford Church of the Nazarene in 2019. Our goal for this past year was to share the hope of Christ with those around us.

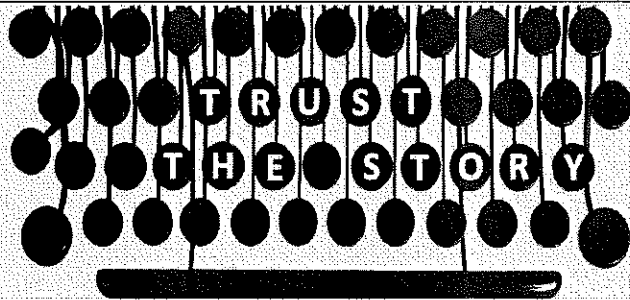

To help us accomplish this goal we spent the year focusing on being disciples of Christ. This was done through studying His Word, and joining together to partake of the Lord's Supper. We commit to pray for each other regularly. Then we take all that we have learned out into our world and into our extended families.

The Bedford Church of the Nazarene is committed to bringing hope to the senior citizens at the Hotel Pennsylvania. This ministry is in its fourteenth year. In addition, we are committed to sending hope to several inmates. This ministry is in its fourth year. We strive to persevere as we commit to sharing the hope of Jesus with those around us. During the year as opportunities have presented themselves, the Bedford Church of the Nazarene never fails to step in and bring hope when God calls. Whether they need financial help, a hospital visit, a comforting ear, a shoulder to cry on, or prayer for a miracle this church has stepped up and is there whenever and wherever God calls them.

Recently, we were beginning to lose hope. We thought are so small are we doing anything good? God heard our cries, and sent us hope and confirmation that, while we may be small, He is using us to touch the world. Our hope was sent through a former member who returned and shared her story. She was sensing that she needed to get back to church. So, she went to the Lord in prayer, and asked Him where she should go. God told her to come back to the Bedford Church of the Nazarene. She came one Sunday, and has been there ever since. She was the ray of hope and encouragement that God sent us. God is not done with us.

Our goal for 2020 is to glorify the Name of our Lord and develop an ever-deepening hunger and thirst for Him (Matthew 5:6).

By God's help, one person was baptized this year through the ministry of our church.

2019 has been a pivotal year for myself as a pastor, and for Bel Air Church of the Nazarene. In April, the door was opened for me to assume the role of lead pastor in Bel Air. One major endeavor in this first year is putting together a pastoral staff. It is now a collection of some who were already serving on staff, some from within the church community who were hired, as well as one staff pastor from the Midwest. I am so thankful for the team I have the privilege to partner with in ministry at BACON!

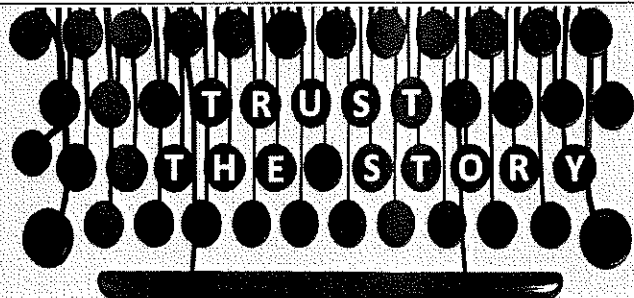

A focus for this year has been to THINK YOUNGER. This translated into two specific initiatives:

- We created a task force to work alongside our NMI Council, composed of younger folks from our church, to work on our Faith Promise Initiative. We also included some who didn't really know what Faith Promise is. Over the span of a month, we communicated what giving and Faith Promise are about, culminating with a Faith Promise Sunday, where special speakers Tom & Amy Hanes communicated vision for us to be a blessing to others around the world. In the community meal after service, we celebrated eclipsing our goal for Faith Promise by more than \$15,000!

- Another initiative we started later in the year was TEXT TALK. It's when our Mosaics (college/career age) and Young Adults Singles and Married are invited to someone's home for a meal, as well as a discussion of Scripture texts that will be used for sermons on future Sunday mornings. This has been received well! We've had to make room for as many as 22 who attend these regular times of eating together and sharing together from the Word of God. It is discipleship for the group, and it gives this group a sense of connection to our church services, as well as providing the pastor with additional perspective on the application of the text that can be incorporated into the message.

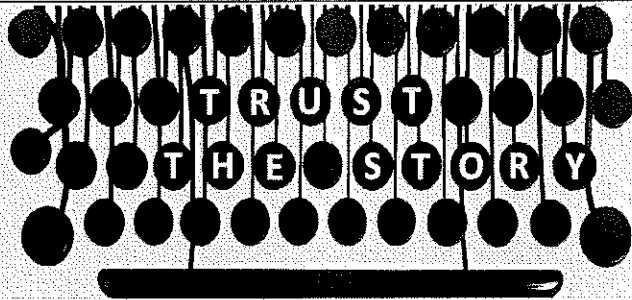

For 2020, our mission is to BE TRANSFORMED so that we RECOGNIZE the Kingdom of Heaven and SHINE LIGHT on it as we live life between the Sundays.

By God's help, 25 have been baptized this year through the ministry of our church.

The River continues to look for ways to connect with the people in our community that are not connected with any church.

There are two related doors God has opened for us in the past year. The first one is Beyond the Bell an after school program in connection with Berlin Intermediate School. Each Wednesday a school bus drops around 8 students off at The River. The students get tutoring as they complete their homework, get a snack, and learn a life lesson. At the end of the session we have a dinner the children help coordinate and set up where we invite their families to join them for a family dinner. We also invite the church to come and interact with these families. At the last dinner we also invited their teachers to join us. Through this program we hope to build relationships with unchurched at risk children and to bring them and their families into a relationship with Jesus.

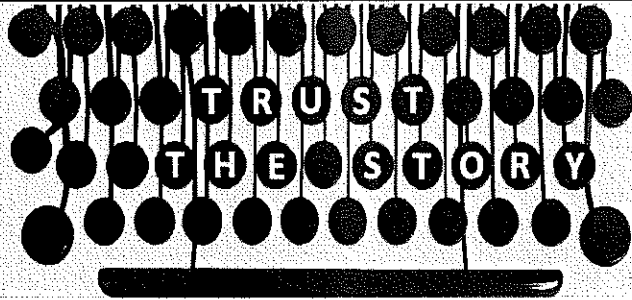

Beyond the Bell brings children to the church. Our other door God has opened for us is our Popup Ministry. With Pop up we go to a local park and set up music and a grill and give away hot dogs and hamburgers. This year we made a connection with a staff member of Worcester Youth and Families and were able to coordinate a pop up with a basketball camp at a local park. Later we joined her and a group of at risk students she is working with for a field day at the park. Then we brought those children to The River for a cookout and wild wet fun day.

We have not had anyone attend a Sunday service through these events, but we are scattering seed in our community. Our goal for the coming year is to pray for and participate in the harvest.

A Door that God has opened for ministry in our church is reaching out to the children in our neighborhood through the elementary school by providing food, new coats and medication costs when necessary. We also have provided gifts at Christmas for needy families, and staff who are going through difficult times. We have new elementary school administration this year, so please keep us in your prayers as we continue to advance God's kingdom.

Another new doors that has been opened for ministry is through our local high school inviting students to study for their exams at the church as a group, and providing pizza. No one is excluded. It is our prayer that we will be able to reach unchurched teens through this ministry. We are also involved with the local C.A.S.A., helping foster parents and children in Dorchester County with emotional support, and also a place of meeting. We are also excited with the help of Bob Prescott of setting up a \$3000 emergency fund for Cuban Nazarene pastors.

Our goal for this coming year is to place more emphases in reaching out to families with children and teens; our numeric goal is 25.

On June 23, we held a service of "Spiritual Renewal" and "By God's help, 8 were baptized through the ministry of our church." July 7, during our Communion Sunday service, 10 people came to the altar to be anointed with oil for healing. God's grace is amazing and real.

Chambersburg Mosaic has been able to accomplish several amazing things during this past year. One such opportunity is a free breakfast we hold on the second Saturday of each month. The number of participants who are able to take advantage of our free breakfast outreach continues to grow each month. We have been an impact on the community by supporting the local midget football program. We have been able to formulate many relationships as we interact with the players, cheerleaders and families. We held several free outreaches throughout the season which included; root beer floats, snow cones, hotdogs, popcorn, drinks and a huge pizza party after the season was over. We held two events for the community allowing for relationship building by providing free food, drinks, crafts, balloons, and games.

Mosaic continues to grow spiritually which gives us a greater opportunity to learn more about each other and the community. We are more focused on prayer, Bible studies, and intentional relationship building. We are excited to partner with Chambersburg Mosaico this year. We continue to pray for their growth numerically as well as spiritually. It has been a long time since we have been able to be a part of an important ministry like this one and pray that our relationship with Mosaico continues to prosper.

Our goal for the coming year is to be more community and globally focused by being more involved with WIF and trying to pay our budgets for the first time in several years.

"By God's help, 6 people have come to Christ this year through the ministry of our church."

The year began with a fellowship hall converted to shelter  
 Beds and meals provided for thirteen homeless agents of our Lord  
 The least of these helped, but we find we are in need of a smelter  
 Charity sans solidarity isn't partnered in one accord

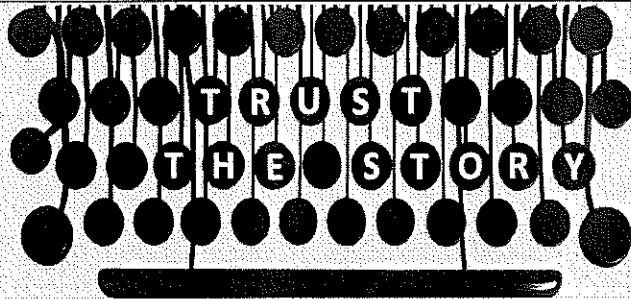

Four women gather to walk along the path of a broken Way  
 In the margins discovering the narrow road to the center  
 In the blackness of night's darkness they learn of the hope of the day  
 As one who is despised, rejected and killed becomes their Mentor

Learning to bear one another up will be our refining fire  
 The elderly may perish but elders must become beginners  
 As Christ conducts us in a new song through a resurrected choir  
 We will look for God to form his community out of sinners

It's an amazing thing that God can be revealed through our failure  
 Johah was devoured and sank rather than becoming a whaler  
 The mission of the church doesn't succeed as programs and industry  
 So by God's help, no one last year was baptized through our ministry

Now we must come to see that in our empty hands we have it all  
 There is only one baptism, one ministry, one life, and one call

For those who have the ears to hear, let them hear.

Por la Gracia y Misericordia de Dios, en este año 2019, Dios nos permitió servirle a Él y a su Iglesia obteniendo cosas Increíbles como estas:

- ☐ DIOS ABRIO PUERTAS PARA REALIZAR EL REGISTRO LEGAL Y ADMINISTRATIVO DE LA IGLESIA BETHEL
- ☐ DIOS ABRIO PUERTAS PARA LA ORGANIZACIÓN DE LA IGLESIA (MES DE SEPTIEMBRE)
- ☐ DIOS NOS ABRIO PUERTAS PARA BENDECIR 4 IGLESIAS QUE SOLICITARON NUESTRO APOYO (HONDURAS, GUATEMALA, EL SALVADOR Y CUBA) HECHOS 20:35; PROV. 19:17
- ☐ DIOS NOS ABRIO PUERTAS PARA APOYAR EL PROGRAMA "SAMARITANS PURSE" - OPERATION CHRISTMAS CHILD - CON 24 CAJAS

Con la ayuda de Dios, 18 hermanos renovaron votos y aceptaron a Jesús, 7 hermanos han sido bautizados en este año a través del Ministerio de nuestra Iglesia. La Meta para este año 2020 es formar 10 Líderes, conquistar 50 almas para Cristo, Mejorar nuestro servicio y fidelidad a Dios y a su Iglesia y adquirir un local propio.

This past year has been one of many changes. The first change was that we switched sanctuaries with Fountain of Grace Church of the Nazarene. They had outgrown the smaller sanctuary and our congregation was not growing, so we decided switching was a sacrifice we should make. Little did we know that making this loving sacrifice would not only be a blessing for our sister congregation, but God would use this as a blessing in disguise for us as well. This move was the fresh perspective our congregation needed to begin envisioning ourselves not as a small struggling church, but as a congregation open to change and new possibilities. Within a few months of worshiping in our new space, God began sending us more visitors than we have had in years. We have always had a lot of visitors at certain times of the year, but the visitors have not stopped coming and more than a few have returned. Among those who have returned to make our congregation their new home have been two immigrant families, who just moved to the U.S. Each of these families have six children for a total of twelve new children, aging from one to nineteen years old. Within weeks we managed to mobilize our congregation to provide four new teachers, two new children's Sunday school classes and with the help of other Nazarene congregations throughout the district, we have also provided these two families with needed household supplies.

I believe the most amazing aspect of moving to the chapel and the steady numeric growth, which God has blessed us with this past year, has been the reawakening that has taken place within our existent church family. New people are stepping into leadership roles and many more are serving with a renewed sense of joy and anticipation of what God will do next. It has been a blessing to see the deepening of our congregation's faith and continuing growth in holiness this past year even though by God's help, we have not baptized any new people through the ministry of our church. However, I have witnessed our people growing in grace and holiness, while God continues to bless them in their faithfulness.

2019 has been an exciting year for City On A Hill. We have continued the ministries that have been going on in our church for a number of years but we have also experienced some changes. Before we launched COAH, we decided to be a church that would plant other churches. Our community was blessed by God through Crossroads church and we felt it was important to help bless others. That goal has become a reality through Impact church and now through Hope Rising Community Church.

Our former executive Pastor, Lenae Ross, will be launching a church in Annapolis on Easter of 2020. God has been opening doors for this since we began dreaming about the launch of COAH. Pastor Lenae has been with us since day one and God has been working in her heart for a long time. COAH has the privilege to partner with Hope Rising through funds, people, and resources. It is bittersweet because we are sending out amazing people, but we are extremely excited to continue to partner with them in ministry. It is all about seeing the kingdom of God grow! One amazing part about planting churches is seeing the impact on our home church. We are continuing to grow even though we keep sending away resources and people! COAH has absolutely learned that we cannot out give God. Even though we were privileged to send Pastor Lenae on to church planting, we were also privileged to welcome Pastor Nicole Kessler onto our staff in an Executive Pastor role. She has made an immediate impact. By God's help, 5 people have been baptized this year through the ministry of our church. Our goal for this coming year is to plant Hope Rising Community Church and to focus on a permanent space for COAH to call home during the week in the form of a coffee shop. God is good!

All to the Glory of our Loving Lord! I am serving in my 58th year as the Pastor of Cumberland Bethel. Our theme has been "Living the Glorious Kingdom of God". For behold the Kingdom of God is within you. - Luke 17:21 It is our glorious opportunity! Sharing peace on earth and goodwill toward all is our calling. Thy kingdom come, Thy will be done on earth (through our lives) as it is in heaven. - Matthew 6:10. "All for Jesus, All with Jesus" is our rallying call. Jesus said, He that is not with me is against me. And he that gathereth not with me scattereth abroad.- Matthew 12:30. We encourage all to love and forgive like Jesus and to care and share like Jesus. Always listening and learning from Jesus and people. World evangelism is always our goal with heaven the big picture! The Holy Spirit is faithfully working with us, transforming lives. We are witnessing new people coming and backsliders restored. All to the Glory of God, we received 21 new Nazarenes into membership this year. We have a prayer ministry "Caring and Sharing for all." We have a very exciting youth and children's ministry, with activities three times per week. We have a transportation ministry. We have a nursing home ministry. World missions has always been our vision and love, helping rescue the perishing and care for the dying around the world. For many years, we have had people from our church serving in missions. We support compassionate ministries and disaster relief ministries. We also, for many years, sponsored 25 children through World Missions. We continue to seek God's Will for guidance to effectively minister His Love to our world. For God is Love; He that dwelleth in Love dwelleth in God.- 1 John 4:16. 2020 marks 46 years that we have joined together in prayer revival for the first seven days of January. We are praying that in 2020, we will have a fresh Pentecost with a new and mighty harvest of souls, all to the Glory of God. Call unto me and I will answer thee and show thee great and mighty things, which thou knowest not. - Jeremiah 33:3.

I love our wonderful loving Lord and it's my greatest honor and joy to serve Him.

God is good! All the time! These truths are shared often in our church!

The year of 2019 was a year I believe that I have learned the extent of that goodness both on a personal note and as a church family.

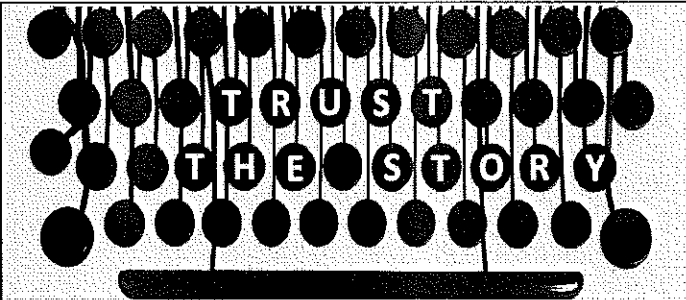

In May of this past year it became necessary for me to take a modified sabbatical to address some health issues. First, I thank God for making it evident to me to take heed to caution lights that he was putting before me concerning my overall health. Second, I am thankful for a church board that gave so much understanding, support, and prayers for me during this modified sabbatical. I am especially thankful to my associate pastor, Steve Monington for taking on additional responsibilities during this time.

Why do I choose to tell this in my report? During this time He has revealed much about who He wants me to be in the latter days of my ministry before retirement. He has renewed the promise of Haggai 2:9 for our church in new and exciting ways. He is leading our church forward in making relational discipleship the intentional focus of what we do. We are exploring, as a church leadership team a 40 day prayer vigil during Lent using "Draw a Circle" as our guide. We haven't officially begun and many are already excited as was evident at our last leadership meeting.

By God's grace and power we did baptize 2 this year in our newly secured baptistry. We have a good number that will likely become members as we complete our latest membership class.

God is doing a new thing in the life of one of His "old" pastors and I say again, God is good!

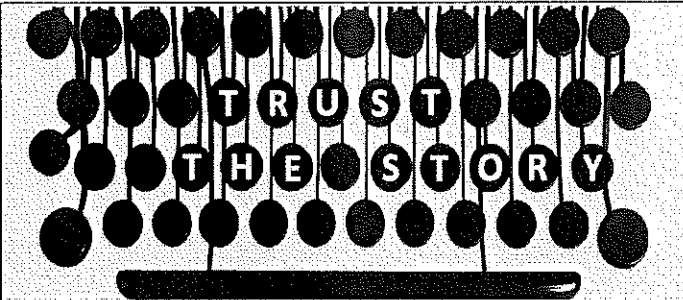

All the time!

Happy New Year 2020 to our pastors, brothers and sisters in the name of the Lord. We thank God for another year of: leadership, and vision. God always has been good and he will continue to provide and I thank God always has been good and he will continue to provide and I thank God for giving me faithful partners and co-workers in the ministry at Delmar Church of the Nazarene. Our love for each resembles a true family. Based on my experience, the more we share the love with each other the more we feel the blessings of God and his presence. That's why we would like to share this amazing verse, Psalms 34: 2, for it says, "I will bless the Lord at all times and his prayers will be always in my mouth. Here are some of the things we realized last year: A- we had three weeks leadership training with Dr. Walliere Pierre from Texas the dean theological seminary in Haiti. B- Annual revival from Sept. 22 to Sept. 29 of 2019. The last day we had raised some money to construct more and emphasize the look of our worship center. C- It's been so long since we have decided to clean the backyard: the cost was close to \$20,000. D- Annual worship service was taken place on Dec. 14 from 6AM to 6PM all day long. More than hundred persons praise the Lord high above. This big challenge for this year to keep good relation to God and each other, pray to involved more people in God's Ministry. With all of these things said, our vision for this year is to look towards God even more than before, and to wait for all the good things that he will bring us in this coming year of 2020. " God bless you all".

I bring to you my first report for the Delta Church of the Nazarene. I have found a great group of people who love their church and want to find ways to continue ministry in the Delta/Cardiff/Whiteford Area. The most successful way of ministry has been through the operation of the Delta Christian Academy offering Christian day care services to well over 100 families every week.

During this year of pastoral transition the church was ministered to by a variety of capable speakers led by Rev. Terry Sowden. This process helped the church to realize that there were other Nazarene churches ready to partner with them in ministry. We are indebted to the Nazarene churches that sent resources (people and money) to help renovate the parsonage. Those acts of service helped the Delta church family to appreciate that they are a part of something bigger and not in ministry alone. We are already looking for ways to continue to work together with our fellow Nazarene churches.

As I meet with the church board and begin to cast a vision for Delta Nazarene, my focus will be on how we can be fishers of men, women, and children. I think we can do that as we learn to be the hands and feet of Jesus and walk by faith in the light given by God. We walk by faith not by sight is a lesson I keep learning. Seven months ago I stepped out in faith believing that there was a Church of the Nazarene that would call me to be their pastor. Delta Church of the Nazarene is that church.

During this past church year there were no baptisms in the church. I praise God now for the increase that is coming – an increase of faith, an increase of hearts turned to God, an increase of resources given for kingdom use, and an increase in the spiritual growth of Delta Church of the Nazarene.

The Amazing Things that have taken place this year can be seen in the 35 children in our AWANA program who have memorized over 150 bible verses, the New family connections we have made by allowing a home school umbrella group use our facilities. The caroline county childrens theater meets here and we host two productions each year. One of the Boy scouts from a group that meets in our facility replaced our playground equipment with a new swing gym for his eagle scout project. Over 70 meals have been provided for the county homeless shelter. participation with community cross walk, ecumenical lenten service participation, County participation in national day of prayer, 27 turkeys and thanksgiving boxes, 23 children sponsored for christmas, FOL participation, VBS and church life. yes some amazing things aking place here in Caroline County

By God's help we saw 3 new conversions, 8 baptisms, and numerous rededications, our worship service meets twice on Sunday morning 8:30 and 10:30, I have a board that Loves the lord, believes in the mission of THE CHURCH, and Denton church of the Nazarene. It has been a blessing serving with them, and by God's help there will be much more to share.

It is a pleasure for me to write my 17th annual report for Dover Haitian Church. To Mid Atlantic District Assembly and my 17<sup>th</sup> year as the pastor of Dover Haitian. Greetings in the name of our Lord and Savior Jesus Christ once again. God has helped us make it to the end of the ecclesiastic year with a solid foundation in the faith. It is my privilege to share a little of the faithfulness of God in Dover Haitian. For almost 10 years, we have been working to construct a new building for a New church. This past year, we found a builderto build for us. God has opened this door for us. He is a good person and the Pastor of another Church. He gives us plenty of advice. I pray every day for the church project.

My goal for this year to Evangelism all Delaware bring the people to church for God. We had 12 people affiliate to the church, 2 new people accepted chirt in his life and 2 Baptisms and two new groups. We have the youth, ladies, children, and mens groups. All these groups work very hard for the glory of God. We have service Monday Bible study and prayer on Thursday, big activities on Saturday afternoon at the church with different group repitition and Sunday School and worship services on Sunday mornings and nights. I ask for your payers for my wife and family. God gives us force and power to encourage us to serve him.

It is a privilege to serve at Dover Haitian as a lead Pastor. I truly believe that God is loving. It has been a joy this past year for our church to see so many people's lives being transformed by their faith in Jesus and some beginning to enter into the adventure of carrying out Jesus' mission of loving and serving in his name.

I am blessed to say that 2019 was a very fruitful year for Mountain Grove Chapel. We have seen great growth in the ministry and spiritual lives of our people. Our biggest bright spot is that last October we were able to go on our first Work/Witness Trip to Cuba. It was so exciting to see fourteen of our church members (along with four other friends from two sister congregations) go thru this unique experience of commitment, sacrifice and selfless engagement with the Nazarenes of the East District on the island. This trip to Cuba has been a great door that the Lord opened for us. Especially, as we were able to provide them with funds to help build churches and missions, gave away several pastor packs with supplies and medications, visited some churches, etc.

On the other hand, God has continued to use our church in our Dover community. We have been able to connect with numerous families that we have blessed through our Summer Community Fun Day, Thanksgiving outreach, VBS and our regular church services. We celebrate that healthy relationships are being made through our Latino Campus in York. God is transforming the lives of those coming to our services and potluck meals. We are also thankful to see emerging leaders grow within our church family who have felt a clear call to ministry. Our goal for this coming year is to focus on God spiritually, to incarnate his mission and his love to others. We are happy to report that by God's grace, 7 people have been baptized this year through the ministry of our church.

Transition, a word that become "normal" for The Cross this year. 2019 began with a sprinkler system break that resulted in worship services being held away from our building for eleven weeks. While a challenge, this time served as an opportunity for us trust God in situations that were unexpected. God has been moving in our midst as we have seen believers baptized, addictions overcome, relationships strengthened, discipleship continue, new leaders step out in faith, and new relationships with God begin.

Our journey this year has included saying goodbye to dear friends, knowing that we will see them again someday; this year has meant prayerfully releasing other friends as they have responded to God's call to ministry in other locations. And this year has meant seeing God's continuing faithfulness as new leaders are stepping in and using their gifts and abilities to guide this community of faith.

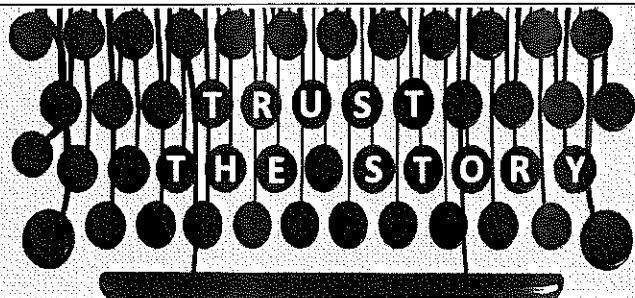

Looking ahead, our continual goal is to be a welcoming, authentic community of faith; a place where all of us look more like Jesus today than we did yesterday.

By God's help, three people have come to Christ this year through the ministry of our church.

**GOD IS STILL GOOD – MINISTRY IS STILL MESSY – PEOPLE ARE STILL CRAZY**

This year was unlike any previous. My summer shifted from sabbatical into recovery from quadruple bypass surgery which resulted in a seventeen week absence from Real Life Chapel. Through this event God opened a door for greater ministry engagement within our congregation. Real Life Chapel operated without skipping a beat due to the competency of our staff and congregational leadership. Thank you Dale, Dave, Karen, Michelle, Sally, and Ted – Lauralee and I remain incredibly grateful.

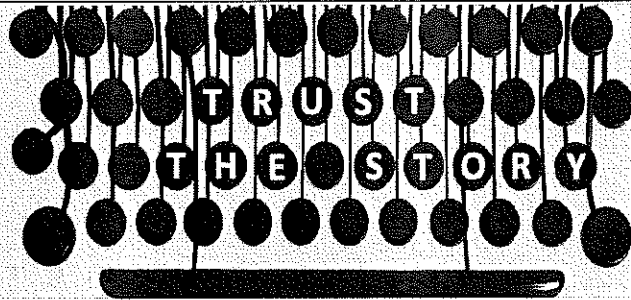

Additionally, God opened the door for greater impact by expanding the role of Real Life Chapel with Operation Christmas Child. Due to our significant involvement, we have been asked to serve as the local area collection site.

A new highlight of this year was our convergence in worship multiple times with another congregation in our local community.

Real Life Chapel continued to demonstrate faithfulness and generosity toward Choices Pregnancy Center and the Talbot Interfaith Shelter by volunteering as well as financial gifts. We also sent another work & witness team to NACA in Arizona, and then RLC provided gifts for the entire student body at the Native American Christian Academy as part of our Christmas blessing.

During 2020 we plan to address food insecurity by facilitating, with strategic partners, monthly food gatherings in all five counties of the Mid-Shore region. At these gatherings we will share a good meal, connect in conversation, and minister through Bible storying and prayer.

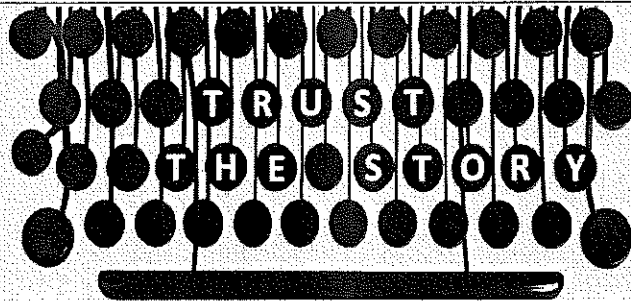

By God's help, 6 people have been baptized this year through the ministry of our church.

Creo que los cambios son buenos y especialmente cuando se quiere agradar a Dios por sobre todo. Esta congregación, como otras, ha pasado durante este ultimo año dificultades en su economía. Actualmente, nos hemos movido a otro condado, donde continuamos enfocados en nuestra comunidad Hispana. Gracias al apoyo de nuestro Superintendente, sus colaboradores y la congregación Nazarena de South Carroll con su pastor, nos recibieron abriéndonos las puertas con el fin de ayudarnos mutuamente. Puedo decir con confianza que vemos con "buenos ojos" el futuro de nuestra congregación y que en Dios podemos tener un año de crecimiento en todo sentido. Con la guía del Espíritu Santo y el trabajo de todos la iglesia sale victoriosa.

As another year comes to a close, and we look forward to the next, one can't help but reflect and be amazed at what God is doing in the lives of the flock here in Elkton. As a pastor, it is exciting to see new ones starting to step up and take on the responsibility of service and commitment to fulfilling the call to the Great Commission, of going, telling, doing, and being, the Christ that your world and His world needs to see. Over the past several months there has been an emphasis upon reaching those in our concentric circles of concern, starting with self and looking towards those who we may have a casual contact with. Our Wednesday evening services together has focused upon this, and people are genuinely starting to take a serious look at how we approach those we are concerned with. In this world where so many are content with setting back and being entertained, I am seeing people who is honestly wanting to get involved! A mother who was concerned about her pre-teenaged son, who was questioning why his dad could stay home and still believe in God, but he wasn't allowed to. He became a focus of prayer, and just a few weeks ago he gave his life to Christ at a teen gathering, thanks to leaders who were concerned enough to ask the important questions. He told his entire family at the Christmas program of his decision to accept Christ as his Lord and Savior.

We had another lady who has been attending this church for many years, mainly attending for Sunday morning worship, announce that it was time that she gets fully involved in her church and to start being the disciple that God wants her to be. At another gathering of the children in our Porcelain Hearts ministry, three young ladies gave their heart to Christ. Again, the important questions are being asked, because someone is looking at their circle of concern, realizing that they want to see these people in heaven someday.

It is my goal, the Lord helping me as we minister, to see this church truly come to grips with God in their lives and see genuine revival break out that reaches further than the interior of the church, for there are many outside the walls of the church who need Jesus.

In 2019, we implemented a sweeping vision that invites people into a growing relationship with Jesus. We believe, and emphasize, that growing in Jesus through the ministry of Crossroads will help you discover Jesus, make it simple to belong to our church, help you identify your role to play in God's story, and develop a faith that works and serves in today's world. We will work our people through these four objectives, and we believe if they participate in these missions of our church, they will find a flourishing faith even in the complexities of living in 2020.

The earliest place that we are seeing movement in making it simple to belong to our church family. We are finding that a lack of belonging is a profound need in our society today. Loneliness is crippling, and there is evidence that people are feeling it in a profound manner. We are working to open to the doors to the lonely so that they feel like they have a community to which they belong. One family who moved here because of military assignment told me that "this is the friendliest church they have ever encountered." They were especially amazed that other teens –not just youth pastor and leaders – invited their teens to be a part of youth group.

We have seen 'belonging' hit fever pitches in a few areas in 2019 – multiple members of our Celebrate Recover ministry testified to God's freedom on a Sunday morning and were warmly welcomed and celebrated by the church. We debuted a food truck night where we had a community members in the summer with two food trucks on our property. 700-800 people showed up, mostly folks of our neighborhood. We saw our "Created Special" ministry offer support and hospitality to families touched by disability. We also donated to over 50 families in need at Christmastime. Identifying those prone to loneliness and demonstrating pathways to belonging through kindness and hospitality has been a door that keeps opening for us at Crossroads.

By God's help, 17 people have been baptized this year through the ministry of Crossroads.

It was said at the local convenience store to a gentleman from our congregation. Most people probably would not have thought twice about it. But when I finally got to hear what was said, I couldn't have been more proud. "Oh, you go to that church that helps people."

We've strived to be the hands & feet of Christ to people all around us this past year. We've helped a widowed grandma who has full custody of her 9-year old grandson due to her son's ravaging drug addiction. We've helped a struggling family of 5 in our local community through providing them with Thanksgiving & Christmas Dinners and gifts for their children. We are working on helping a lady in our congregation with some dental issues due to a genetic disorder that she has. We are helping an elderly homebound couple—both in their 90's—with weekly meals brought to them by various folks in our church. Through the Fawn Grove Compassion Center, we are regularly helping folks & families out in the surrounding community with clothing and other items to meet their needs. We have really stepped up to help a family of 4, and soon to be 5, in our church. The husband & father was wrongly convicted and sentenced to jail time, leaving his wife to care for their two young boys and a baby on the way. On the Sunday they announced this news to the congregation, I found myself all alone after service in the usually-packed church foyer, for a long line of people had formed in the sanctuary to take turns asking this family how they could be of help. People have brought them meals, groceries, loads of free firewood, Christmas gifts for the boys, provided regular weekly childcare, given money—significant amounts of money, and frequently checked in to provide emotional support during this very difficult time for this family. "Oh, you go to that church that helps people." Yes, yes, I do!

A goal we have is to see 10 people come to faith in Christ through the ministry of our church this year. And by God's help, 7 people were baptized last year!

It's a great privilege and honor to report for the Federalsburg Haitian Church of Nazarene. We thank the Lord God almighty for His faithfulness toward us day by day. Again 2029 was a great and blessed year for us in Fedralsburg Haitian. One of the amazing things that happen this year is the work of God in our teens lives. 11 teens came to know Christ as their savior. we satrted a teens Sundays school with 8 and growing to 22 by the end of the year 2019, all glory belong to God.

One of our goal for this year 2020 is to evangelizing our coomunity and reach out 15 new belivers for Christ.

By God's help we had 11 people that come to Christ, 6 were baptized in the water baptism and 6 new affiliate to the Church.

2019 was a year of connecting like never before through partnerships. We expanded our 30+ year alliance with Central Maryland YFC through a Campus Life Club, providing office space, praying together, and supporting one another in life-changing endeavors. Students are coming to faith in Christ in the building we share. Our four-year partnership with Falam Burmese Church has been rich with blessing. New ministry partnerships began with Ministérios Cielos Abiertos and Bethel Casa de Dios worshipping in the facility, and sharing in ministries like VBS and outreach, while worshipping together at times. There is wonderful teamwork as we reach into the neighborhood and expand our influence in Frederick. Frederick Regional Youth Orchestra, MedSource, Encore Academy, and the Frederick Evangelical Minister's Fellowship have all come alongside us in this place dedicated to God for the very purpose of magnifying Him and bringing people to Him. There is a spirit of cooperation and a commitment to oneness as we strive to see God's Kingdom reign in our community. Lives are being transformed within our fellowship, and the Good News is faithfully shared inside and outside these walls, even inside a juvenile prison. We are giving our best to see that God's gift to us is used expansively, graciously and generously, not sparingly.

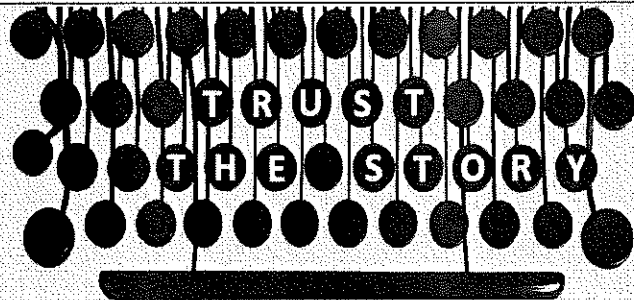

It is our goal that the word of Christ dwell in us richly, so as to be a renewed people given for God's service to make disciples, reach our community, serve others, and collaborate with God's Kingdom people in seeing His Kingdom come in this place.

By God's help, 6 have come to Christ this year through the ministry of the church.

This year God has opened a door for our church to minister through the food pantry. Due to the death of one of the leaders of this ministry the church had not been able to continue the ministry consistently. We were still able to help individuals occasionally during crisis events but were not able to meet some of the consistent needs in our church.

This year we were able to arrange for an intern to train one of our members to purchase food from the local food bank. They were also trained how to stock and distribute food on a monthly basis. We are currently helping 8 or more families each month.

With God's help, 1 person has been baptized this year through the ministry of our church.

I love our church! Love our staff (thanks Kelly and Brian and Karen and Lisa and Paola and Jenny!) and leaders and people! Love our Sunday services! Love our meals together! Love our LIFE Groups! Love our young adults—5 of our 12 2020 Church Board members are 32 or younger! Love our Next Generation Ministries! Love our seasoned adults who never belly ache about changes but have a heart for reaching others! Love our diversity—ethnically (33 different countries of origin), politically, church background, age and gender and favorite football teams! And yet, by the grace of God, we experience a unity in the Spirit and a unity of purpose and a healthy morale. I love the environment we create to express different perspectives and views. I love the generosity with which we share our facility. I love the many ways we get beyond the walls of our facility and the circle of our own fellowship to serve the community in Jesus' name.

By God's help, 9 people were baptized this year through the ministry of our church. Our goal is to see more Christians truly follow Christ right out into the world that God so loved and see more people saved and growing in their faith as a result. Amen.

Thanks to all my fellow pastors who serve so tirelessly and faithfully! Thanks to all our churches and the good people in them that encourage each other and together lead the way in loving each other and loving their neighbor. Thanks to our good district leadership for their encouragement, guidance and support.

Saludos en el exelentísimo nombre de nuestro Señor Jesucristo

Ha sido un año maravilloso para nosotros, lleno de grandes bendiciones de parte de nuestro Gran Dios, he tenido el privilegio junto a mi amada esposa con la ayuda del Espíritu Santo de poder pastorear, predicar y enseñar la palabra de Dios a su pueblo y a todos aquellos que se congregan cada vez que se abren las puertas del santuario, hemos podido ver como la mano de Dios ha obrado y sigue obrando a nuestro favor en nuestra familia, ministerio y congregación.

Este año hemos tenido la bendición de ver como Dios sigue llamando a hombres y mujeres al liderazgo ministerial como mayordomos y proclamadores del evangelio y de la iglesia de Jesucristo, este año mi amada esposa respondió al llamado de Dios y en respuesta a ese llamado la junta de la iglesia le extendió una licencia local, Dios es fiel! quiero agradecer tambien a Dios por el milagro maravilloso que El hizo en uno de nuestros hermanos al sanarlo y levantarlo de la cama de una gran dolencia que el tenia en la parte baja de su cuerpo, Gloria a Dios! ahora el asiste a los servicios de adoración junto a su familia.

La meta de este año con la ayuda de nuestro Gran Dios es seguir evangelizando a la comunidad y alcanzar mas personas para Jesucristo y hacer discípulos semejantes a El.

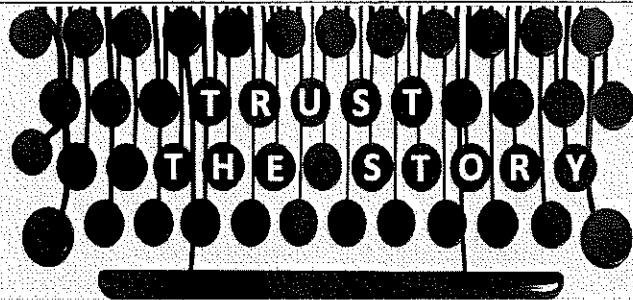

Con la ayuda de Dios 2 nuevas personas han venido a los pies de Jesucristo a travez del ministerio de nuestra iglesia.

Brothers and sisters, how's everybody today? My name is Wilfrid Raymond, lead pastor of Georgetown Nazarene Church. Within the 3 years I have been there, God has made many things possible for us. 2019, we had 3 people that continued their ministry in Christ, we had one wedding, 2 newborns, 2 new believers, 6 new baptized. Even though, we had a few people left, we had 14 new affiliates. We just had our third great Sunday School fundraiser. We want to thank God first, the District board second for your help and everyone third for their prayers with getting this new place of worship. It's a beautiful blessing. Continue to pray for us so that WE CAN PREACH AND MINISTER TO SAVE LIVES. Please support us so that this building will be ours permanently. Thank you Pastor Terry, you're never tired of back and forth from Baltimore to Georgetown. Doctor David, every time you come, God is using you as a blessing. Pastor Roland Edouard is the one always there for anyone. Thank you to all of us for your time. Thanks the Lord for everything.

#### Gettysburg Church of the Nazarene

This year we have been faithful in continuing to share the love and Salvation of our God. Through our Mothers of Pre-school Children (MOPS) our doors have been open as we have surrounded and helped these families experience the grace of God. We have provided a washer and dryer for a family in need. In addition, we provided a safe place for a family as the parents worked through marital problems. Our members' doors were open to the mother and children until the relationship was reconciled and restored.

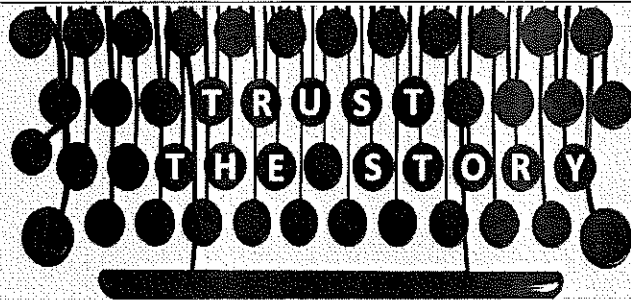

It seems every year we assist a member of the Church of the Nazarene who is vacationing in Gettysburg. This year we provided assistance to a Nazarene Youth Group from Virginia when their bus broke down in Gettysburg.

We continue to see those entering the retirement age coming back to church. This year we have people who have come to Gettysburg because they need the support of their family. They are not able to attend church regularly, but still desire the fellowship that they had in their previous Church of the Nazarene. This has opened the door for us to begin ministries in a nursing home and visiting others with those who are not able to attend Sunday services.

Our youth have shown light on another door that is opened for us. After coming back from teen camp in which they learned about human trafficking, they expressed a concern about those who are living in nearby migrant camps. This year our goal is to join in with the Fruit Farmers Christian Ministries. Our goal is to meet the physical and spiritual needs to one of the 120 migrant camps in the Adams, Cumberland, and Franklin Counties in Pennsylvania. Currently only 19 camps are being cared for.

The year began with the congregation at Glen Burnie Church of the Nazarene (GBNaz) saying goodbye to their long time pastor of over 20 years. As the year progressed, GBNaz settled into the search for their new pastor. Many ministries were placed on hold while the main functions of the weekly gathering continued. Long time members stepped up to the challenge of holding down the fort and working hard to be prepared to welcome the new pastor.

Meanwhile, Richard and Karen Brash were investigating a call to the mission field with the Mesoamerica Region. When that door closed, they wondered what God had in store for them as prayed for ministry doors to open.

In July, the church and GBNaz elected Rev. Brash to be their next pastor and he began ministry among the fine people at the Glen Burnie church on August 11, 2019. Since then, Pastor Richard has been becoming acquainted with the people and the history of the church by listening to stories and asking questions.

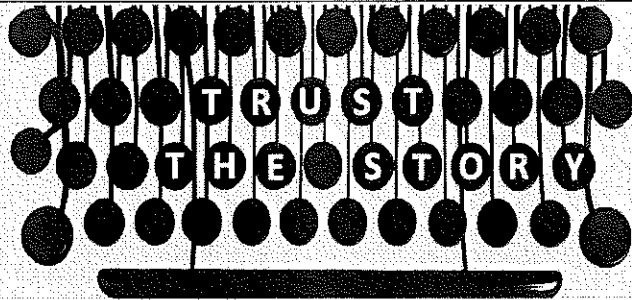

In 2020, the church at Glen Burnie will look forward to new ministry opportunities by focusing on three specific areas together. First, Adult Sunday school will be suspended for at least 90 days and replaced by congregational pray each Sunday morning before the worship service. By praying together, we invite the Holy Spirit to guide and direct our ministry. Secondly, we will begin to shift our focus outward by taking the church out of the building and into the community at least 4 times during 2020. Thirdly, we will make changes to our worship space and worship style to more closely reflect the culture in which we minister.

One of the amazing things that God has done through the ministry of our church this past year is our launching of a new ministry called "Embrace Grace". One of our ladies who is a registered nurse began working part time for our local Crisis Pregnancy Clinic. There she learned about a national ministry called "Embrace Grace" which gives local churches the resources to mentor and support pregnant single women who have chosen to give birth to their babies rather than abort them. Our lady began to feel that God was leading her to start an Embrace Grace group in our church. When our church leaders and I heard about the program we decided to step out and start this new program. The program includes a weekly Bible study with the women and teaches parenting skills. At the end of the study the church provides a dinner banquet and pampering day for the women and a baby shower with their families where the ladies are given everything they will need to care for their babies, including a car seat. We started our first Embrace Grace group in May with five women from outside our church. Two of the women opened their hearts to Jesus through this ministry. In September we started an ongoing mentoring/Bible study program which is step #2 for the women with some new moms joining in. In this "Embrace Life" group the moms are discipled and further trained in parenting skills. We conducted the Embrace Life group on Wednesday nights which allows the children to attend our Caravan program. The children this group has brought out has infused new energy into our Caravan program. We have now begun our second Embrace Grace group and we have several more women from outside our church attending regularly. In addition to Embrace Grace, we are excited that many of our single young adult college and career age people are stepping into positions of church ministry and key leadership roles. Our goal for the coming year is to increase the evangelistic passion of our church and to see more of our people seeking to lead their friends and family members to Jesus. By God's help, six people have come to Christ this year through the ministry of our church.

Our ministries have continued to grow during 2019. Some new ones have been created so that all church members can participate in at least one of these ministries. We have had seminars, conferences and on site trainings with some District resources and others as well. Other events in which we have participated are:

1. REACH, a cold weather shelter for the homeless in the Washington County area. For the last five years we have prepared and served food, provided free haircuts and helped the shelter with some much needed items.
2. Partnered with a local doctor and provided a "flu shot clinic" for all those interested ...
3. Sponsored and helped several missionaries visiting our area (Nazarenes and others). Also continued our support to the Church of the Nazarene in Cuba, including going on our third Witness and Encouraging Trip in February.

Our goals for the coming year are to continue mentoring others to follow their call to Ministry. .

We started a Hispanic ministry in Martinsburg, WV in May and another Hispanic ministry in Chambersburg, PA in June. Our goal is to continue working in these areas.

By God's help twelve people came to Christ in 2019 through the ministry of our church. Four people were baptized; we had five child dedications and five new members were received.

This year of transition allowed the community of Connections Church to walk through "unexpected doors" with grace. As 2019 began, we said farewell to our founding pastor not knowing what God had through the next door. Trusting in God's plan for the next door, our board and staff diligently lead our congregation through unknown paths. New friendships were formed during our Service and Soup Sundays, wherein once a month eating together after worship has become a norm. God opened new doors of community outreach with a free movie night in September, allowing new local families to meet our church. We've continued our monthly partnership with BeMoreCaring, to feed and love others each 4th Tuesday. Our teens and children diligently walked us through new doors, as THEY led us in worship, ran the audio/visual equipment and helped with communion. A call to prayer each Sunday prior to service provided stamina for the pastoral search journey and unity among our members. Partnerships with other churches on the district allowed for 5 of our own to participate in multinational missions, while providing school supplies, discipleship and buildings for many in Arizona and Peru. Additionally, our group came together and partnered with other churches on the district to lead the Children's Ministry at MAD Family Camp this past year. One final door that God has walked our church through is the use of multi and social media resources to reach over 180 persons weekly.

By God's help, two of our small group members were baptized through the ministry of our church. As they moved to be near family on the Eastern Shore, they found a church to be discipled and minister to others. All the pastors, along with the board, would all like to thank Rev. Ken Balch for his direction and guidance this past year. The goal for Connections this next year is to know God closely so we can reflect Christ's love and actions to others.

Quiero empezar dando gracias a Dios por el privilegio que nos ha dado a mi esposa y a mi de servirle. Nosotros llegamos a esta congregacion aproximadamente hace 4 meses, en la cual solo encontramos 7 miembros que pretendian dejar ya la congregacion, fue una situacion muy dificil la que atravezamos en ese momento, pero la Misericordia de Dios permitio que estas vidas sean restauradas y ser nuevamente encaminadas hacia Dios, desde ese momento nos hemos dedicado a servir al Senor y poner en practica todo nuestro conocimiento y ayuda para la restauracion de esta congregacion, pero sobretodo pedimos la guia al Espiritu Santo.

Empezamos con los cultos regulares de sabados y domingos, donde los 2 primeros meses solo nos manteniamos los 7 miembros y la familia Pastoral, pero poco a poco hemos ido viendo el respaldo de Dios y la cantidad de miembros ha ido de menos a mas, hasta la fecha somos ya alrededor de 50 personas incluyendo a lo ninos, hemos abierto lo dias lunes de oracion, los dias jueves celulas en los hogares, el ultimo viernes de cada mes vigiliass, y tambien este mes de febrero hemos agregado, el segundo viernes de cada mes, reunion de caballeros y el tercer viernes de cada mes la reunion de damas, hemos ganado 10 almas nuevas, a los cuales ya se le esta discipulando con clases de nuevos convertidos, estamos mas que agradecidos con Dios por todo lo que el esta haciendo y es nuestro deseo seguir trabajando en lo que el nos ha encomendado, estamos preparandonos para salir a evangelizar a las calles y asi hacer que mas vidas vengan a los pies de Cristo. Seguiremos adelante siempre pidiendo la guia del Espiritu Santo para lograr nuestras metas de que muchas almas sean .

We are looking forward to this coming year at Hancock Grace Church of the Nazarene. We are very blessed and encouraged at the initiative and generosity we have seen at the Hancock Church. We have high expectations of God to work mightily in our community through our church. One special blessing this year was repairing the parsonage basement leaks with the help of a neighbor and his heavy equipment and the men in our church. What could have been an expensive job turned into a reasonable fix. God is good!

Another especially encouraging answer to prayer was God's touch on one of our young men who found that he had cancer of the pancreas and after surgery and treatment and much prayer is back to work and doing well.

Also during this past year we have been blessed by God's sustaining grace through several deaths involving family members of our congregation. We are praying that God will use this situation to draw all of us closer to Him.

Our prayer is that we will be directed to the lost in our community and prepare ourselves to faithfully minister to their needs.

The year 2019 was a very interesting year for the Trinity Church of the Nazarene. Pastor Gerald Dunlap retired after many years of faithful service. While the church family went through the motions to find a replacement, I did fill in as pulpit supply. During this time, the church family did take part with other Christian organizations that reached out into the Hanover community. For Thanksgiving, we worked with New Hope Ministries and gathered almost six hundred cans of sweet peas and green beans. This helped to supply meals to a 1000 families in need on Thanksgiving. Then we partnered with the U.S. Marines and gathered toys of Toys for Tots organization. Something we have never done before. I was shocked by how many toys the church family donated for this worthy cause – 1.5 filled SUV's. I was told five hundred needy families would be reached out to in Hanover with over a thousand children would be given toys before Christmas. Then we had some in our church family who became ill and a network of helpers was set up who helped to take them to doctor appointments and give them cooked food.

By God's help, we didn't have anyone come to Christ this year through the ministry of our church. This is a disappointing number, but I'm encouraged already by what the Lord has been doing since I was appointed Pastor at Hanover on January 1, 2020. The church wants to do a community yard sale this year in which each person that visits receives a Bible. Some are volunteering to do work within the church without being asked. This is a good sign for a small church. We are reorganizing ourselves, and starting to pray on Wednesday nights (starting Jan. 29) that the God's Spirit will lead us into something new and to refresh us in a new way. Our goal for 2020: Regroup and follow the Lord's leading into something new which He has already begun (Isaiah 43: 19).

God has done some amazing things this year at our church. We saw GOD at work in our families through their engagement. This past summer we tried a different approach. Every summer like most churches our church experiences low attendance. We decided this summer not to compete with the Beach, Birthday parties and other summer events that conflict with our services. We decided to have a Thursday night study of all the Kings in the Old Testament. We called it the "Biblical Game of Thrones". Our attendance increased by 22% and our people learned so much more about how these Kings impacted the overall story of the Bible. We have a younger congregation that will choose to go to a summer family gathering over a weekend church service; we know this fact and we addressed it. We are always working to engage these families with the Word without trying just to entertain them with special programs. We know when it comes to living a life of Holiness, being develop through the teaching of the word and the influence of the Holy Spirit is what fosters Holiness in our lives. Our folks are growing in God's grace and becoming better people. That is all a Pastor can ask for.

The other cool thing is that we have taken on the full mortgage of the church. The District turned the responsibility over to our congregation this past year. I will tell you it has been a challenge, but God provides every month. I want to thank our District for investing in Great Commission Church over the years, we are so grateful for your support.

**GOAL :** Building strong and loving Christians through the teaching of God's Word.

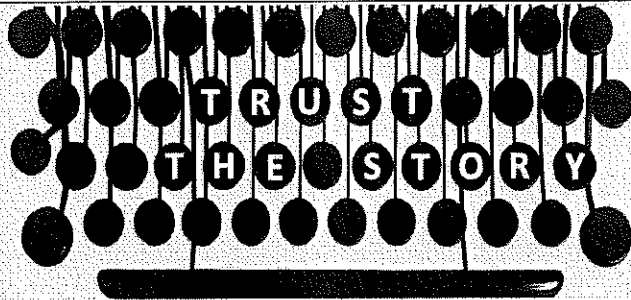

"By God's help, 1 person has come to Christ this year through the ministry of our church."

At Hollywood Nazarene we are striving to live out this catchphrase: "You Will Be Loved Here." We are learning how to love each other through life's transitions and challenges, caring for one another deeply as we are instructed in 1<sup>st</sup> Peter. We understand that people all over St. Mary's County need to experience genuine love just as much as those who show up on a Sunday morning. Therefore we are prayerfully considering just where in our corner of the world we might join God in piercing the dark corners with the light of His love. We continue to partner with our local Scout troop, sharing our facility. We have also taken continued steps to reach out to our local elementary school as well as a food pantry in the Great Mills area. We were able, with God's help, to complete a long-needed roofing project. Good job to our leaders on seeing that project through to fruition. Most important of all this year has been the precious people who began a new walk with Jesus and those who have been baptised.

The Healing temple church is situated in Beltsville Maryland. In the early part of 2019 through the Grace of the Almighty, the church made a tremendous effort by leaving its original place of worship (Mother Lucille's Residence) to worship in a school building which was rented by the church.

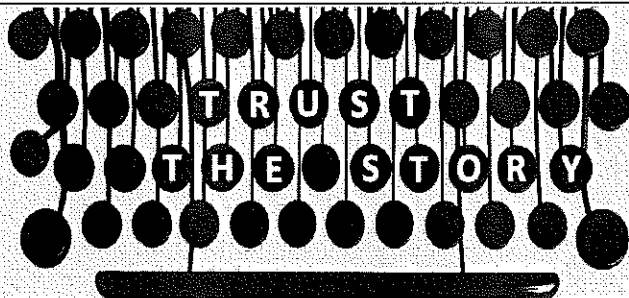

Unfortunately for the church, the then assistant pastor of the church Dante Martin used his influence to manipulate over half of the members of the church to break away and forsake the assembly. The breakaway occurred during a Sunday morning worship On March 10, 2019 in the new edifice that was rented by the church.

Through the Grace of God, we located a new place in Beltsville Maryland to continue our worship service. A new leadership structure was established through which the affair of the church is conducted. The new structure of the church leadership comprises of the following: Board of Directors, Praise & Worship Dept., Head Pastor, Finance Dept., Assistant Pastor, Evangelism Dept.

At present, the church is under the spiritual guidance of the head pastor Lucille Salmon and the Board of Director functioning as overseer in its affairs. The evangelism department is very impressive; currently we are experiencing some growth, by the grace of God they have won three souls for the lord and added two new members to the praise and worship team. They also added a special Thursday night prayer service which is solely intended for prayers for the church and its spiritual leader.

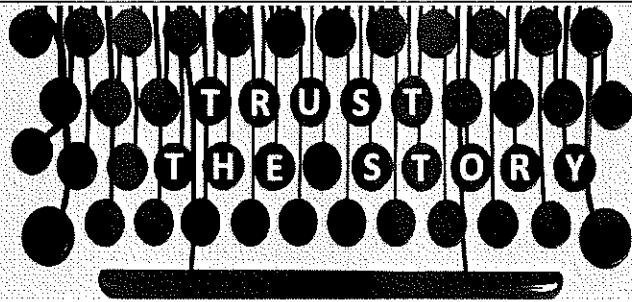

We have also engaged in voluntary work in the community. We received and distribute food from the food bank throughout the year.

We strongly believe the almighty God will continue to increase the membership of the church and the need for a bigger edifice has become paramount to us. Predicated upon this belief, we have initiated a land and building fund committee. The committee will be responsible to organize programs, search for reasonable piece of land or mortgage to meet this goal. "

Let me start off by thanking my Lord and Savior Jesus Christ for all the wonderful things He has done for us in the past year. As you know, I have suffered a few set backs through out the year and at one point was questionable if I would be here to speak to you today. With suffering a heart attack, open heart surgery and a real nasty staff infection around my heart that has left me with a separated sternum and a double hyrnia, I can tell you that God has been with me every step of the way! I am also continuing to deal with my prostate cancer and its treatment that had to be put on hold because of complications due to the heart surgey. I know God will see me through this also.

Our church has suffered a bit of a blow the past two years and has struggled to stay afloat. Some who thought we were actually going to sink, jumped ship when they were needed the most. But God has placed His hand on a small remnant who have made a true commitment to work in His church even when the way gets rough. In spite of all that has happened, God has continued to bless us in many ways inside and outside the walls of our building. We have had the joy of baptizing one of our faithful members early in the year, and a few months later, witnessed His healing power as a miracle took place right before our eyes.

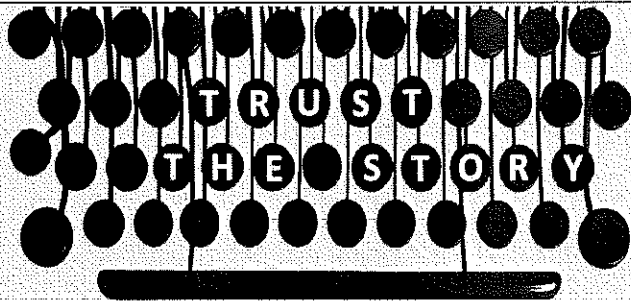

God has given me a second chance at life, not to do what is expedient for me, but to do His will for the church and His kingdom. What God has done for us this past year at Indian Head is nothing less than AMAZING, and with the help of a few amazing members, God will continue to do "AMAZING THINGS" in the year to come! God bless and never forget:

"GOD IS AMAZING"

It is my privilege to serve with friends and colleagues – Derek, Rachel, Ryan, Linda, Lora, Faith, Bonnie, Susan, John, and Craig, and others. These Leaders are living their calling in Elevate Student Ministry, Submerged Children's Ministry, LNC worship, Celebrate Recovery, Men's and Women's Ministry, Small Group Discipleship, Code Purple and others. Our mission remains: "Connecting People to Jesus and Each Other – Empowering Christ-like Disciples." We are a loving and generous church that seeks to continually live Jesus' mission. We've entered 2020 not resigned to a Life that just says, "It is what it is." Instead we're pursuing the path God promises, saying and believing, "The Best Is Yet to Come! A Door God Opened: Our town was blessed to hire a Christian Police Chief, Danny Wright. He's a retired Delaware State Trooper and a fairly new believer. He has exhibited faith beyond his years (spiritually). He has called out the churches in our community for division, pride, pettiness, and lack to engagement. Our town of less than 4,500 people, has drug dealings, multiple overdose deaths, prostitution, 4 murders in 3 years, homelessness, child neglect, generational poverty, and a deep divide along racial and religious lines. Chief Wright worked to pull together a Ministry Council that meets monthly. We stay updated on the serious needs confronting our community. We responded by coming together to pray and plan events. In the last year+ we have developed a Community Brand – PFL (Pray For Laurel). It's our Community Theme & Prayer Reminder. Now we see PFL Bumper Stickers and T-shirts all over town. Our Events have included: – Community Youth Day – Town Square Prayer and Worship Rally – A Community Prayer Walk and A "Unity in the Community" Tailgate at a Laurel High School Bulldogs game. Our community is joining across racial and denominational lines for the purpose of praying together and developing impact events that address our communities so called "impossible problems." As for Laurel Nazarene - Our 2020 Goal/Theme is "Find and Live Your Calling!" By God's help, 17 people have come to Christ and 8 been baptized.

This year has once again been a time to see God do some amazing and incredible things in the lives of our people and in the corporate life of our church. We have been privileged to see even greater involvement in a number of collaborative efforts within the life of our neighboring community. Things such as our prison ministry, our partnership with our local elementary school and our involvement in large community events continue to allow our congregation to actively engage with our neighbors and in the life of our community. As we have intentionally engaged within those collaborative efforts, we have witnessed even more opportunities present themselves.

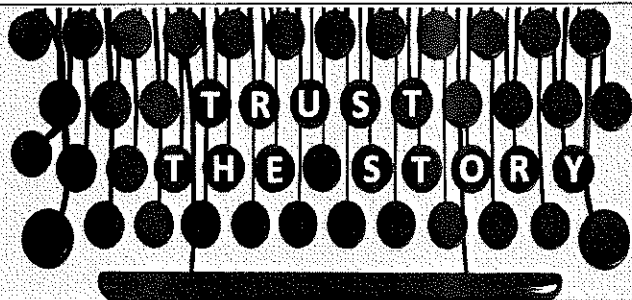

One of those collaborative efforts this year has been a new partnership with the local nursing home. As Caleb, one of our young men, was visiting a patient at the nursing facility, he simply asked about the possibility of holding services for the residents. The administrator immediately granted his request and we soon began holding monthly worship services for the residents on the first Sunday afternoon of the month. These services allow our locally licensed ministers opportunities to preach. Since many of the residents are long-term, and may possibly be in the facility for the rest of their lives, our church coming to minister to the residents has allowed for our church to become the residents' home church. Each month, several of our members go early to help accompany the residents to the meeting room where the services are held. This allows for our members to interact and build relationships with these precious individuals who often have no other visitors. The services have truly become a highlight for both our members and for the residents of the nursing facility.

One goal for this coming year is to take the next steps toward planting a daughter church. By God's help, 10 people have come to Christ this year through the ministry of our church.

Early in 2019 Pastor Eli from Hagerstown Latino Church contacted me to talk about beginning a Latino ministry in Martinsburg. We were excited to see what God would do through cooperation. We have received a wonderful blessing and gift in the Latino ministry that is slowly morphing into its own Latino congregation in Martinsburg, with Pastor Pablo Nieves leading.

Martinsburg 1st cannot claim credit for the success of the Latino ministry beyond providing space in which to operate. Also, they have been a blessing to our congregation. Since beginning their ministry in our facility, they have remodeled two important spaces. First, they have impacted our church's ability to accommodate young families with an improved nursery. Second, they increased the functionality of our main discipleship space. Most importantly, the Latino congregation is an example to ours by showing us how to reach our community with compassion and love. Their prayer activities, the involvement of their youth of their leadership and activities have encouraged our congregation to follow suit. This past fall, our church board voted to give a local minister's license to one of our youth, who, after his attendance at NYC in Phoenix last summer expressed a call to ministry as well as received a scholarship to attend ENC upon his high school graduation. In the past year God has laid upon my heart the need to give greater attention to the sacraments and we have increased celebration of the Lord's Supper from quarterly to now monthly. In February we will increase to every other week, and then on Pentecost of this year we will commence weekly celebrations of the Lord's Supper. By God's help, one person has been baptized this year through the ministry of our church. Our youngest child, our daughter, Abigail was baptized by Dr. Bowser at Family Camp since the last district assembly. Therefore, since I have discovered that there are at least a handful of professing believers in our congregation who have not been baptized we will baptize them this year. By the grace of God, we hope to convert, baptize and disciple five new believers this year in addition to those who are already believers and have yet to be baptized.

We sponsored a work and witness trip at our local church. Many projects were completed, and many relationships were started and strengthened. We saw campers in the parking lot, new sanctuary windows, much painting, and many items sent to the mission field. Over sixty members and friends took part in these ministry opportunities. The cancer support group continues to be a source of comfort and encouragement for our local community, as well as those in the congregation fighting cancer.

The Young Adult Sunday School Class is an inspiration to me personally and to the church at large. This class strives to grow spiritually, and to reach the community for Jesus. This group was started by Pastor Dave while he was youth pastor here. It continues to reach out to the neighborhood in new and exciting ways. Many people once again attended our candy and fellowship outreach on Halloween. Luminarias lit the way, and many in costumes entertained the kids that stopped by. We once again returned to the lake for our annual baptismal service, and by God's help, two people have been baptized this year through the ministry of our church.

Our goal for 2020 is to be a church in tune with ministry opportunities in our community.

In this last year at Melwood it was easy to see how God is actively working in the the lives of those at Melwood. During my short time at Melwood God has shown us places to mark in our journey, stones of memorials, as times to remember His faithfulness.

"Dee," a 15 year old boy who had been seen at the church a few times in the past, was characteristically on time for a morning where we were serving breakfast before worship. He normally came on these mornings and after breakfast he would disappear only to be seen on the next day a large breakfast was served, but this one morning he broke his routine and staryed for worship. After worship the body of Melwood connected with "Dee" over lunch in a profound way that's kept us connected even while he is away at a boarding school. Dee's life has been characterized by petty crimes, and a general disrespect for authority. Melwood is walking with his mother and family through this trying time in life with the love and hope that Jesus brings.

Rebecca was not easy to miss her first Sunday with half of her head shaved and the rest of her hair nicely done back her quiet personality made an impact on the room. She had been to a nail party the night before with a group of ladies from the church and at their invitation she decided to check us out on Sunday morning. After service that day she asked my wife if they could meet for sometime to talk and so we invited her over to the house for a time of coffee the next week. Rebecca has a long road ahead and already there have been many hours of prayer for her and her 2 boys and her husband as they are all struggling to find peace, but we can see where God is moving and we celebrate His goodness in all things. God's goodness is all over the work He is doing in the body of Melwood and we know there is more to come as He is showing us what is next.

By God's help, 1 person has come to Christ this year through the ministry of our church.

This year has been the most challenging, transformative, and exciting year of my ministry life. After seven years of learning experiences, trying to develop community ministry in Middletown, DE, we found ourselves buying, moving into, and beginning to renovate a 135 year old Victorian home a block from downtown, which supplied the space we'd been lacking before.

This fall saw campfires, game nights, homework help, and weekly community dinners where all were invited and welcomed in the spirit of Christian hospitality. God has blessed us with committed friends and neighbors who've become board members as our Church-type mission is starting to look more like a church.

One unexpected blessing has been to provide a safe place for a number of teenagers to escape the stress of their lives for a little while and find loving support. We continue to be encouraged by friends and co-workers, as well as strangers who've heard about our commitment to hospitality and community in Middletown. The word is spreading.

The goal for this year is to work toward intentional community, an established core group beyond just a series of events. We also hope to finish renovations on the third floor, which we will use as transitional living space for people in need. We've already been contacted by several social workers and counselors who are excited to have this space available in the near future.

It will require work and additional funding – so I'd be happy to talk with you more about sharing our vision with your congregation and looking for ways to partner together!

In the last year we at MCN have cultivated our existing missional partnerships to bless the community. We hosted a one-day multi-cultural, multi-congregational Vacation Bible School (4 cultures and 4 churches). We have seen several new families begin attending or return to attendance. We recognize one new decision for Jesus Christ. Two discipleship groups have met faithfully to connect people to the transforming power of the word of God. We have served the community by providing food, serving together at the soup kitchen and providing clothing. We have been a safe place for women and children to sleep in cold weather. God has been worshipped, the sacraments of both kind have been served, and the word has been proclaimed. During the last year, MCN has forged a missional partnership with Love INC. and Code Purple Sussex County. During the past 12 months, we have become the Milford Cold Weather Shelter for women and children. In the fall, we found out that Code Purple lost its site for intake and feeding the Cold Weather Shelter guests. Sensing an opportunity to strengthen our relationship and more effectively minister to this at-risk population in our community.

For the past two months, each evening has seen up to twenty people, guests as well as volunteers gather in our fellowship hall to share a meal, to fellowship, to experience hospitality and to have a safe place to sleep. At least six members of our local congregation are volunteering to stay overnight, to provide meals, to transport guests, or to provide welcome and intake. Real relationships are being built. Spiritual conversations are being had. Guests from Code Purple have come to worship services. I believe with all my heart that seeds of the Kingdom are being planted and people are engaging in Kingdom business.

Our goal for the coming year, with God's help, is to see relational connections between the church and the lost in our community grow and develop yielding 10 new decisions for Christ and 10 new baptisms.

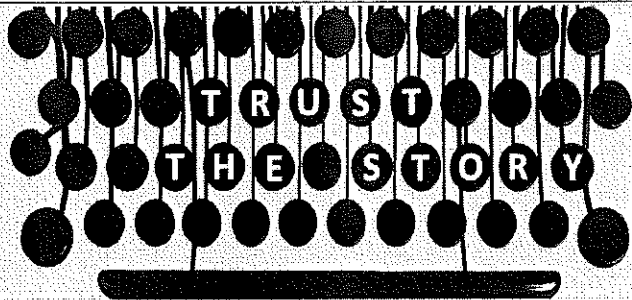

By God's help, 3 people have been baptized this year through the ministry of our church.

Genesis 18:14 "Is anything too hard for the Lord?"

The obvious answer to this question is NO! God continues to do amazing things for his people every single day. At Mount Tabor Church, we continue to have the amazing privilege of having our church used as the meeting place of the Bible Release program of our local school. Every week young people gather in our sanctuary to learn about Jesus and his words. This enables us to have a small part in reaching many in the community that may never hear the amazing story of Jesus Christ and his offer of salvation.

God is continuing to bless us at Mount Tabor Church in many different ways. One of the most important ones, is our spiritual growth in Jesus. Each day Jesus reveals more of himself to all of us who seek him. Our daily walk and relationship with him is truly amazing. Our goal for the coming year is to be a blessing to our community by showing Jesus' love and to continue to grow more like Jesus daily.

By God's help many have come to a saving knowledge of Jesus this year through the multiple outreaches of the Mount Tabor Church of the Nazarene.

This year, a door for ministry opened for New Beginning Church in walking with various individuals going through deep moments of grief and mourning. Our congregation experienced more loss and hurt over the course of this past year than in the previous 5 years combined. Children of parishioners were lost to drug overdoses; families dealt with loss of parents, spouses, children, and grandchildren; and memories were lost as a family lost everything in a house fire. As a congregation that had previously been relatively untouched by this kind of deep loss and grief, 2019 served as a year of caring for others, loving well, and walking alongside those going through seasons of grief and sorrow.

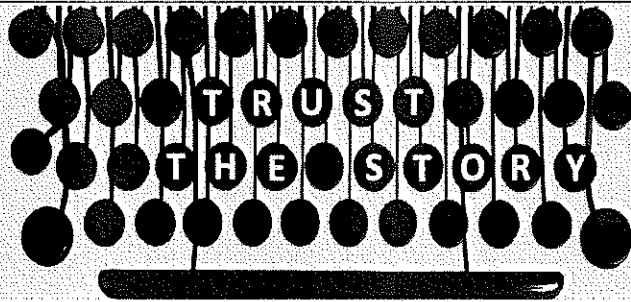

Over the course of the year, the New Beginning congregation supported a family walking through a fatal drug overdose by giving thousands of dollars in support in addition to hours upon hours of time. Our congregation has loved another family who lost 3 family members in 3 months over the summer in addition to losing their home in a fire in December. Money, hours of service, and caring conversations abounded in serving this family well. We have started new GriefShare ministries over the past year and have been able to walk with many in our community though various difficult circumstances. In addition, New Beginning partnered with another local congregation to serve a family in our community whose mobile home caught fire in the fall. With God's help, a new mobile home was secured and renovated in less than 2 months' time allowing this family to celebrate Christmas in their new home. Jesus' words in John 13:35 say, "By this everyone will know that you are my disciples, if you love one another." I am thankful for a congregation that has walked through the door of loving well this year.

The mission of Table Life Church is to learn the way of Jesus together as we invite others to join us at His Table. Inspired by our mission statement we will be attending to two "big rocks" this year: "life together" and "inviting others." That is to say we have two goals for 2020. 1) We intend to nurture deeper community by maximizing our Third Sunday Common meals and our Table Groups while giving space for more affinity groups to form. 2) We intend to start a community conversation about the simple practice of "inviting others" to our Table Life gatherings and ministries. We will be highlighting invitation as a simple, non-threatening way of encouraging friends and families to give the way of Jesus consideration by being a part of a community that values belonging even before one believes or behaves. Opportunities to serve our parish are numerous and more than I could cover in this report. The Spirit of Christ has set many tables so as to include and serve others. Through our New Hope partnership we provide food support to families on the margins by "running the store" on the second Sunday of the month. On the last Wednesday of the month we provide a free meal so that our church and neighborhood can connect. We call it "The Neighborhood Table." We continue to share table fellowship with our sisters and brothers from Tabarre Church of the Nazarene in Port au Prince. This Summer we hosted a team from their church and enjoyed serving, eating and worshipping together. Jesus has set another table among us in the area of recovery ministries. Pastor Jeff Wolfe serves as our Pastor of Christian Formation. Jeff has opened a private counseling practice at Table Life. On Sunday nights Jeff leads an "At the Cross Recovery" group composed of both Table Life people and others from our parish. This year we plan to offer "Reboot." Reboot is a recovery ministry for combat veterans and first responders. Jesus is gathering a beautiful community around His Table in New Cumberland. By God's help thirteen people have been baptized this year through the ministry of our church.

This past year, God has been using us to do Amazing things in our youth. The year began with an emphasis on keeping young people safe by hosting the Darkness to Light's Stewards of Children training for our community. Our youth became a priority in our prayer meetings. We connected with them at their school events, and we hung out with them at the local Dunkin every Sunday before church! We publicly honored their achievements. We collected school supplies for them. We volunteered alongside them in community service projects. We encouraged them to use their talents by involving them in our worship services as musicians and artists. We donated our money to give them full scholarships to camp, and rejoiced with them at a party as they were baptized!

One of our youth, Abbie attended district teen camp for the first time. A few weeks later she was baptized and gave an Amazing testimony. She said, "God has helped me so much and is always there for me. He has gotten me through hard days and helps me enjoy good days. He is someone I can talk to and someone that listens. I love God with all my heart. God has also helped me through rough times like when my parents divorced. He helped me stay positive even though it was hard. He also helped me through when people would be mean. He helped me stay strong and to not take in what they said. God cares for me so much, so it is time I get baptized and to let people know that I am committing my life to God." Abbie is interested in youth leadership, planning events, and recruiting new kids. Abbie recently began playing violin on our worship team and is involved in other creative ministries. Although she can only attend church every other week due to custody restrictions, Abbie is joyfully participating in God's Amazing Kingdom.

This year, we want to empower young people to do Amazing things by dreaming "God Dreams". By God's help, 3 people have come to Christ this year through the ministry of our church.

In 2019, God opened several doors for ministry in and around Newark, Delaware.

Our theme was to simply "Live Love" and our goal was to better tell the story of God and grow in our love for one another, for our community, and for our world. To this end we collected food donations for the local food bank. We collected and donated household supplies for a local non-profit that helps families in transition. We collected school supplies for a local elementary school. We gathered and sent care packages to our college students. We also assembled and contributed Crisis Care Kits for Nazarene Compassionate Ministries and collected winter coats, hats and scarves for needy people in our community. We gave of our facilities, too. We opened our doors to help another congregation. We also hosted our first-ever blood drive by partnering with our local blood bank and the family of a young girl who was diagnosed with leukemia. We also served our local community by hosting our neighbors as a polling place for a city election.

The biggest door that God opened this year was our Teacher Appreciation Dinner. In October, we invited teachers from local schools to enjoy an evening of dinner and live music with the goal of letting them know that we love and appreciate them. Each teacher received a goody bag containing post-it notes, red pens, dry erase markers, and granola bars; things they might need during the school day. This dinner has prompted a number of spiritual conversations and requests for information from some of the teachers in attendance.

God has been at work this past year in and through the North East Church. Those that came to the Lord this past year have remained and have become an integral part of the church. They seem to be growing spiritually and in their dedication to the church and the things of the church. When we painted the church, put up a new church sign, they were there to help. When we had fund-raisers at Thanksgiving and Christmas, they faithfully contributed. Their testimonies during testimony time are rich and encouraging.

It has been a wonderful year to see these new ones in Christ growing in such a way that it encourages the whole church. We are looking forward to this coming year to see real spiritual and numerical growth.

By God's help, we would like to see the church double in growth this coming year.

Alicia and I have been at the Oakland Church and in the community for a few months. We have been getting acquainted with members of our church as well as many of the shut-ins. We were encouraged by the attendance for the Christmas Eve service.

In the coming year, my goal is to develop relationships, help the congregation to develop their relationship with God and to develop a relationship mindset that reaches others.

2019 was a year of transition for Oakland Church of the Nazarene. 0 have come to Christ this year of transition through the ministry of our church. We are anticipating several baby dedications, three baptisms, new members and a wedding this spring. We are committed to reaching more people with the Good News of Jesus in 2020.

This is my 28<sup>th</sup> report for the Orbisonia church, my 45<sup>th</sup> consecutive report as a Nazarene pastor, my first from the retired assigned status. God is good and He has been keeping me going after almost 7 years now of battling cancer. God continues to bless in my life and in the life of the church!

The new door that God has opened for our church to minister to our community this year has to do with the Orbisonia-Rockhill Senior citizens. They found themselves without a place to 18604at the end of last year. When we learned of their dilemma, we opened the door of our Fellowship Hall for them to use, free of chrg. Now every Tuesday and Thursday mornig the senior citizens of our community meet in our Hall. Not only has this helped in the way the coimmunity looks at our church, but occaasionally some of these seniors have showed up for service.

Our goal as a church continues to be our misssion statement: "To passsionately live out the Great Commission in holiness as we anxiously anticapte the return of the Lord".

We did reach a few folks for Christ through our weekly Radio program and U-tube ministry but dind't have the privilege of baptizing any of them.

Muchas veces para ver realizado un sueño hay que esperar años. En 2019 el Señor nos bendijo a través de implementar el culto infantil ( servicio para niños dirigido por los niños). La labor fue ardua pues había que darle la forma de capilla a un area del basement; Después de casi un año de actividad ya tienen su grupo musical y directores, solamente la predica esta a cargo de un adulto.

Dios ha sido bueno al permitirnos ver organizada la iglesia del Nazareno de Cockeysville una de nuestras filiales, Gloria sea a Dios, y bendiciones a nuestros hermanos lideres de dicha obra.

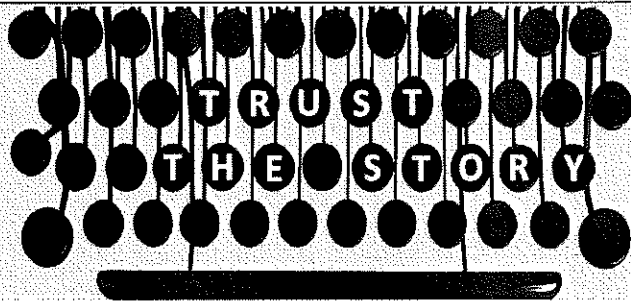

Hemos tenido un año de siembra de la palabra de Dios, nuestras células crecen y seguimos impactando nuevos y distantes lugares como:

Aberdeen, Hamstead, Baltimore city y Patapsco.

En el area de la preparacion de lideres hemos visto como el Señor va llamando nuevos hombres y mujeres a servirle y agradecemos a Dios por la oportunidad que nos da de prepararlos para su obra.

Finalizo agradeciendo a Dios por la obra de Hampstead que nuestro hermano Tony Oliva esta fortaleciendo ya que el Señor derramará grandes bendiciones a este su pueblo fiel, oramos para que suceda.

Oremos para que en 2020, Dios de crecimiento en lo espiritual y en membresia a su obra en Mid Atlantic District.

Grace and peace from God, our Father, the Lord Jesus Christ, and the Mighty Counselor,

Petersburg Nazarenes began their year in a study of what it means to be the church. We believe we are called to be PEPTO --People Encouraging People to Obey.

As we have done so, we have seen amazing things. We have used our gifts, finances and resources to encourage many. With God's help some of what we did included blessing bikers, creating gifts for the needy, giving to a border mission serving immigrants and 4 visiting missionaries, and we shared the faith with our local people and international college students. And we continue to work with one parishioner on a call to ministry. One of our students is works summers to serve in a ministry in the national parks. A team of 9 served at the Fawn Grove Ministry center. And the thrift store we host in our building gives \$10,000 back into the community for those in need and in scholarships for students.

In this coming year, we hope to go deeper into the Word to read it, live it and give it.

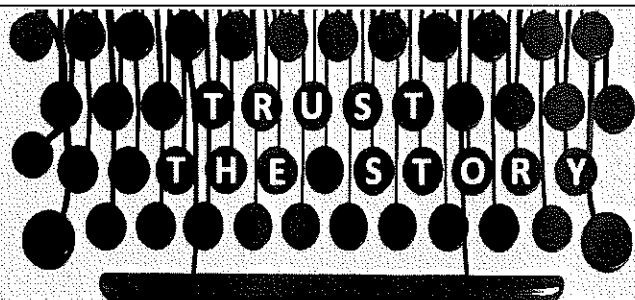

By God's help we saw 9+ come to Christ.

Over the last year, many amazing things have happened at our church. January, February and March are always busy months for us with our Upward Sports Basketball & Cheerleading Ministry. We had over 400 children enrolled with about 100 volunteer coaches, assistant coaches, and referees. We pray, have devotionals, and children have prayed the prayer of salvation. Our final Upward celebration, we held at Rising Sun High School, due to lack of parking at our church. Easter time we had a baptismal service. One man is a new Christian, and now he, his wife, and three children are part of our church family. We continue to have Wednesday dinners, Caravan, Youth Group, and prayer meetings. This past year, we held various benefits: Flag football tournament, three on three basketball tournament, and a talent show. Hundreds of people participated and thousands of dollars were raised.

Other ministries include a daycare with over 100 children, softball teams, men's basketball, flag football, participation in Little League parade, hosting missionaries, sending children and teens to camp, and promoting teen activities. One young teen, accepted the Lord, was baptized and now very active in our youth group. She and her boyfriend attended Team Day a month later. Our youth group is growing now that we brought on a new staff youth leader. Our teens now lead Sunday worship services two times a month. We continue to promote FOL and have sent people to both the district and regional events. Finances have increased whereby we were able to pave our parking lot, build an outdoor pavilion and upgrade our softball field. We had a special Christmas event 'Jingle All The Way To Jesus', which was enjoyed by many. By God's help, three people have come to Christ this year, and 21 people were baptized through the ministry of our church. Our goal for 2020 is to reach 20 new families for Christ.

God is doing "Amazing Things" in Rockville.

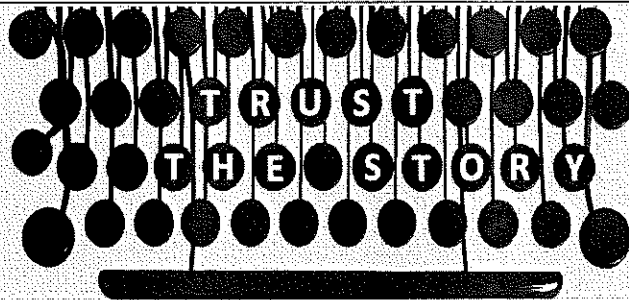

Each week a team of leaders takes the Good News to an after school club. 12-15 elementary children have snacks, sing gospel songs, do carfts, learn scripture and hear a gospel presentation.

This is our third year in Flower Valley E.S. and we have a growing not only in the lives of the children but with the school staff as well. We gave the school over \$300 of new school supplies which were immediately distributed to the students who needed them. We have joined the school in expressing our support and sympathy for a teacher who died suddenly over the Christmas break. She had been interested in the Good News club and was a supporter of our outreach. This ministry has impacted the administration and several of the teachers resulting in genuine appreciation for our church's involvement.

Another amazing thing God is doing is the formation of a daughter church. The Latino RCN church is Pastored by Rev. Jose and his wife Rocio Ortiz, they are forming a solid base of new Nazarenes. This congregation is growing and is alive with energy. Their children and teens form a part of our extended ministry. As we partner with them in teaching and ministry.

Our goal for 2020 is to be more effective in organic outreach so that new Christians are formed in faith and join the church.

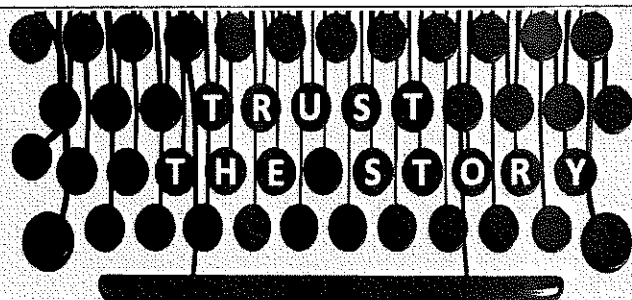

"By God's help, (9) have come to Christ this year through the ministry of our church."

Este Año que terminamos fue de gran Bendicion para la iglesia local que Dios permite que Pastore , Estamos mirando la sanidad del trabajo realizado en 5 años , llegamos a una iglesia super lastimada por el mal testimonio , solo 5 familias quedaban , hoy dos de estas familias estan en Nicaragua y abrieron dos obras , y nosotros alcanzamos las 30 familias , tres Ministerios de bendicion tenemos , Estudios los sabados , con clases de teologia , diccionario Bíblico , concordancias strong , esto nos permite desarrollar lideres capaces de distinguir lo verdadero de lo falso , El ministerio de Oracion , cada dia martes crece y Dios responde cada Oracion en su plena Soberania , Ministerio de Compacion y evangelismo , logramos Cosas Hermosas Para el Reino de Dios , Mi Principal ministerio dentro de la obra es Familia y Jovenes , Familias Fuertes Iglesias Fuertes , tenemos que parar con la epidemia de Divorcios dentro de las congregaciones, eso nos quita poder Moral delante de la comunidad ., El grupo de Jovenes esta en 15 Jovenes que tenemos clases los dias sabados , fuimos logrando que ellos mismo preparen cada sabado la musica y la predica , luego les damos preguntas y respuestas . Este Año entregamos 19 Membresias , realmente la iglesia Crece , cada dia se agrega quien debe ser Salvo , El trabajo en los medios de Comunicacion fue muy bueno , pagamos una radio FM en Nicaragua mas nuestra radio [www.radiojesussalva.com](http://www.radiojesussalva.com) y video profecional en facebook live y Youtube , logrando dias de 50 mil conecciones , en el mundo entero , nuestro ministerio de 8 personas nos comunicamos por whatsapp con muchos hermanos que necesitan oracion o consuelo y estamos conectados , extendiendo el Reino en todo lugar , sin importar que no se congregen con nosotros porque Trabajamos para un DIos que tiene Siervos en el mundo entero . en las celulas de los dias Viernes puede desarrollar Historia de la iglesia , pasamos por el Papado y la reforma , fue un gran tiempo de Dios , Este 2020 esperamos seguir caminando paso a paso a la casa del Padre .

Each year we are asked to report on the ministry of the church; numbers which are to indicate the growth and success of the church; and, each year I get discouraged when I report zero. Many times, I report a zero for the number of new Nazarenes joining the church membership, and zero for the number of baptisms performed during the previous year.

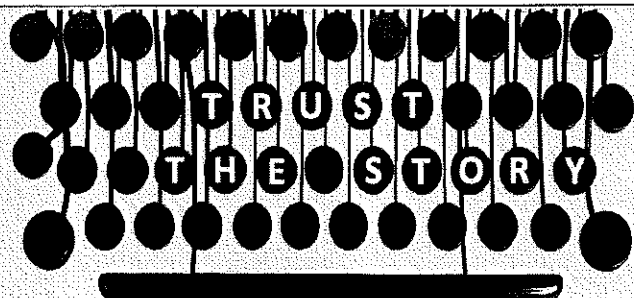

This year is a little different. After listening to the speaker at Team Day of 2018, I began to ask our young people what they are looking for in the church. I ask questions about their involvement in the church and what they feel is expected of them. This went on for a few weeks as the opportunity presented itself. Then in the late spring, one young lady approached me about baptism, and a young man inquired about church membership. I was thrilled.

After some discussion with leadership, we established a plan to offer membership classes and set a date for this to take place. What began with a person inquiring led to others. After the membership classes, we had two teens and one adult join the membership of the Ryot church.

We also made plans for lessons to discuss baptism during the children's church and the midweek teen small groups and set a date for a baptism service. What began with one girl's inquiry, turned into 6 people stepping forward to make a declaration of faith and being baptized. In both instances a door was opened to ministering to their family and friends.

In the year to come it is my hope to maintain this momentum and encourage others; to join the membership of the church, to further engage in the ministry of the body of believers, to actively engage in the fellowship, evangelism, and discipleship of the church. And, for those who have not already done so, to take the steps and participate in the sacrament of Baptism. By God's help six people have been baptized this year through the ministry of our church.

LifeStream has been busy being the hands and feet of Christ in our community and our world. We began the 2019 year with a team in Jamaica where we were assisting our brothers and sisters there with a construction project. We were also privileged to bring the Word of the Lord and lead worship with them. We also said farewell to our worship pastor Rev. Kristi Jennings.

This past Easter we were blessed to baptize two believers and admit two into our membership. We continued to pursue our Living WELLS ministries in which We bless, Eat, Listen to the Spirit, Learn about Christ, and Serve God and others. This ministry has sought to serve as a physical way in which we can be the hands and feet of Christ while also deepening our faith together. During the summer we had a very successful VBS and were able to plant the seeds of faith in the hearts of many children and their families.

At the end of the summer our lead pastor Rev. Vince Crouse resigned to take a position at Old Colony Hospital in Massachusetts. His last Sunday with us was August 25th. As we began the pastoral search process Dr. Richard "Dick" Wilson assumed the regular preaching responsibilities. We are excited to see what God has in store for us as we continue to live as His people. .

God is continuing to do amazing things in and through Cross Pointe Church of the Nazarene. One of the exciting developments this year has been Melanie Longacre's response to God's calling on her life. Melanie has been a committed lay leader at Cross Pointe for 10 years. She is now a part-time paid staff member as our Director of Early Childhood Ministries. Melanie is completing the course of study and is on target to receive her district license at Mission Advance. She provides great leadership in her areas of responsibility and her passion to connect with where God is leading, is inspiring. We praise God for Melanie and His leading her into pastoral ministry at Cross Pointe.

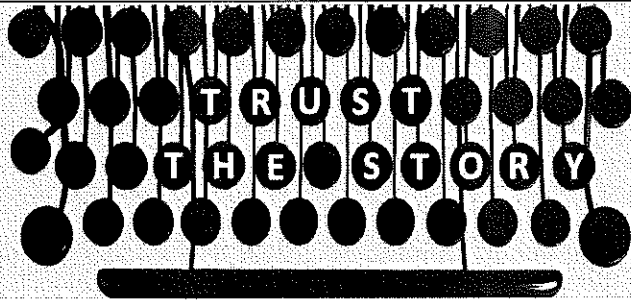

We give God glory as well for keeping the doors of Cross Pointe open, both literally and figuratively, during a time of pastoral transition. Four members of our pastoral staff team were called by God to new ministry assignments during the spring of 2019. The Lord has provided leaders to fill in the gaps left by their absence. Our Sunday worship service has continued as have Cross Pointe's ministries that impact the community. The Upward Sports and Mega Sports Camp programs continue to be successful. The food pantry team serves hungry families. The weekly prison ministry team makes an impact as men choose Jesus over their broken past. Monthly dollar blessing offerings are taken to address needs in the community. Our partnership with Pemberton Elementary and the local Judy Center continues to grow. GriefShare is offered for those experiencing loss in our community. Cross Pointe's impact in the community goes well beyond the walls of the church building. Praise the Lord!

In 2020 we look forward to new pastoral leadership and following where the Lord leads. By God's help, 84 people have come to Christ this year through the ministry of our church and 10 individuals have been baptized.

Although our Church is small, we have 18 children and teens on our responsibility list. Last summer, God opened the door for us to host an All-Church Vacation Bible School. For five Sundays, our congregation – young and old – embarked on an African journey, “Roar: Life is Wild – God is Good.” Together, we sang the VBS songs. When the children were dismissed for their Bible lessons and mission activities, I preached on the same Scripture passages as their lessons. On the final Sunday, we celebrated with a fellowship dinner of African dishes.

In December, God opened the door for our Church to bless others locally and globally. We delivered Christmas gifts to 111 residents at the Genesis Seaford Center where we minister. As several children and adults delivered gift bags, I prayed with residents. God came unexpectedly when Grayson, who is nine-years-old, asked, “Pastor Judy, can I pray with someone?” He did, and now, as a junior usher, he prays for the offering. Our Church also sent 274 Operation Christmas Child shoeboxes to children in Colombia, Madagascar, and Uganda.

While we have made some progress with our strategic goals for 2019, we remain committed to improving the music component of our worship service and our children’s ministry in 2020.

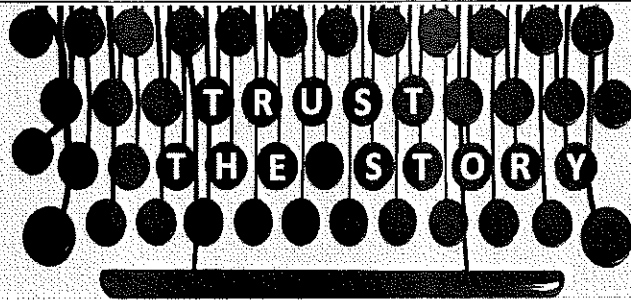

On the last Sunday of each year, we celebrate God’s faithfulness as a Church. As I prepared for the service, I sensed God wanted us to close with a baptism ceremony. Once again, God came unexpectedly, and by His help, four people were baptized this year through the ministry of our Church. Our prayer is that God will be glorified through the ministry of the Seaford Church!

God has been gracious to Grace Pointe during my privileged years serving as lead pastor. Bryce Karafo represents the third staff member who was called to ministry and has joined our staff as Youth Pastor. Special thanks to Pastors Ferring, Curtis, and Llerena who have worked in tandem with Tara Clark [office], Gary Weslow [Bus. Manager], Barb Clarke [Church Health] and Pastor Kay Hedge [counseling]. Through the generosity of our church we have resurfaced and striped our parking lot. Giving through all revenue streams is a record again this year for which we are grateful. Outreach continues to be a primary focus evidenced by a) Upward Basketball, b) Sunshine boxes, c) BeMoreCaring, and our d) No Boundaries Week [community service] which began last year. Our Latino congregation 'outgrew' their worship space and moved into the sanctuary averaging 60 in attendance. Our Child Development Center is at capacity. Our Annapolis Area Christian School partnership continues to be a positive community 'touch.' We have two receiving district licenses this year [in addition to Rev. Bob Prescott who guides our Stephen Ministry and assists with visitation]. Also, we issued five local ministry licenses...for which we are grateful. I would be remiss if I didn't express appreciation to the congregation and leadership of Grace Pointe for allowing us the privilege of serving as their lead pastor for nineteen years. Having sensed that we have completed the assignment which brought us to Maryland in 2001, the leadership of Grace Pointe has begun as season of transition. His future for these gracious, God-honoring, visionary people is going to be stellar. A closing word of thanks to my wife Rosanne, who has willingly, with a heart passion for Jesus, has been my partner in ministry for almost forty years. I am grateful for her prayers, persistence, and hearing God "whispers" during this time. By God's grace, 13 people were baptized this past year.

While there are several ways in which God is leading us to serve His kingdom and our community, however, the door that has opened for the Shippensburg Church continues to be the University Ministry. Pastor Dale Detweiler, along with a small staff of committed volunteers, continue to be on campus, developing relationships and opportunities of service to students. One occasion for ministry this past year has been the prayer for students going through finals week. Ninety different students requested prayer for their studies, along with other personal needs. Our congregation received cards from these students asking for prayer, and we wrote prayers for those students, scanned them, and made them available for the students to see. This prayer ministry is just one way we were able to connect with students.

Monday nights are also a part of this University Ministry, as the Detweilers open their home to these students for discussion, spiritual growth, and leadership development. These evening meetings have also proven significant in connecting with the needs and burdens of University Students. The result of these meetings point toward beginning a Monday Night Worship Experience, designed for young adults, and will also be an opportunity for those who cannot worship on Sunday mornings.

One of our goals this year is to purchase and renovate the building next to our property called Premier Events (a catering company). This purchase will allow us to have handicap access for worship services, adult bathrooms, more greeting spaces, and better opportunities to provide space for additional worship services and other ministries for our community.

By God's help, 1 person was called to ministry and was baptized this year through the ministry of our church.

To report on The Harbor for the past year would be to celebrate the hunger and thirst of its people. Perhaps not so much for righteousness, but for fellowship, acceptance, healing and grace, and of course understanding. As a very young church and a congregation of new believers, we have put membership on hold and have intentionally focused on building relationships, teaching a new ways of life, and basic Bible education and theology.

As the pastor, I most delighted in the engagement of my thirsty congregation. A large percentage has committed to attending every Sunday only missing for work. Most participated in MAD Family Camp services: 21 campers, 10 commuters, and we had 40 in attendance for Sunday morning service. This past fall we had our second Church retreat and 95% of our regular attenders joined us for a weekend at Roxbury Holiness Camp again and we claimed our commitment towards "No Turning Back!" This is what we are about: A Community of people seeking God, sharing life, and serving others. I am confident that a thirst for righteousness will surely follow our days of worship, prayer, fellowship, and service. May God's grace be poured out on us all!

In my report I must also celebrate our desire and commitment to continue to meet the needs of our community through our works of service and compassion. Our men's recovery house, The Lighthouse, has had a waiting list for quite some time, so we are actively to buying the adjacent building. Men and woman alike have been working on the dilapidated apartments, so that we can more than double our current occupancy from 7-17 and expand our residential program which provides for long-term recovery support enabling us to minister to the whole man. To God be the Glory!

Our ministries at the Local Gathering have many faces. "Where Faith and Friends Collide with Love" on Friday, Saturday, Sunday and a Monday evenings. With these many days of ministry we seen a door closing for Friday Night Coffeehouse and with much prayer and thought we closed. Our focused went to the other ministries with a renewed ambition and spiritual health. However, as the door was closed it was not locked.

We had made friends with two couples in their mid-twenties who are married and raising families. I know it seems odd that people in their twenties want to be around people who just turned sixty. It seems as the door closed on Friday's they wanted to open it back up. Stacy trained the one lady to be a Barista and she is loving what see does behind the coffee bar. The door is open. Here is God showing off. Three of the four come from Old Order Mennonite and do speak PA Dutch along with English. They probably will not be a part of church on Sunday's even though they do come to many of our special events and retreats. The reason for not joining the church is due to family pressure. Their struggle is real as cultures clash within families; however, they do believe in most of what we are and as they see it. They do call me their pastor. How cool is that they want to hang with us older folk. God finds ways for us to minister to the spiritual needs for the young Mennonite communities. They are courageous in their struggle which is real with family, society and with how they see and feel God. Saturday nights ministering and with folk mostly 60 to 80 playing wonderful Bluegrass, Classic Country and Classic Gospel is a door filled with many other doors soon to be opened.

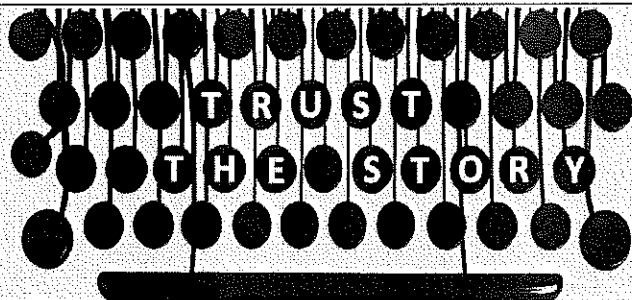

By God's help five have come to Christ this year through the ministry of our church.

The Smyrna Faith Church family is alive and well. I am often asked as I fellowship with other pastors how are things going at our church.

I am excited to share we are are fully engaged in sharing the gospel; our men's group is growing in the Lord; our Women of Faith Ministry recently were engage in distributing care bags for the homeless and distributed Christmas gift to our children in our church; our kid's Church ministry are consistently teaching age appropriate scripture lessons and emphasizing the importance of scripture memorization; scripture is in our culture; our Wednesday Bible Study day is fast becoming known as the place to meet up with guests and regulars alike to not only learn but to share our views and understanding on biblical topics taught at the moment, The Hispanic Services still struggles to take off, according to the census report, Smyrna have a very low percentage of Hispanic population, I don't blame them. There is not one decent taco stand. :) we have a family of three that sometimes come all the way from Wilmington to support us.

Other areas of ministry:

R.P - Does devotion to a group of men at work once a month.

R.M- A retired jail officer recently joined our church and he and his wife do jail ministry

PJ – On summertime helps four senior and one widow to keep their front yard nice and trimmed.

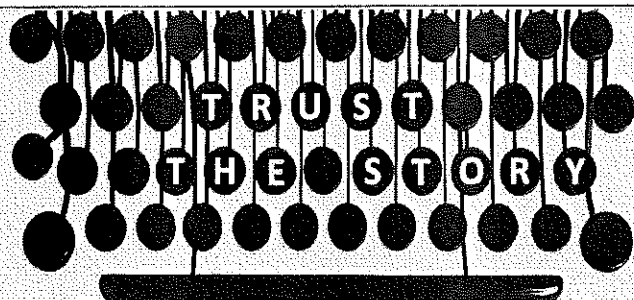

Devotional once a month on their senior hall, on wintertime to keep their sidewalk free of snow.

As a result of these services PJ was asked if this group could reach out to them in times of personal spiritual battles as lowlines and scary time approach their old age, of course now PJ's house has been open for counseling, meditation, prayer or just simply for a walk around PJ's property.

Our church supports two "Addicts Recovery Group" Thursdays and Sundays.

Whether the need we face is in the area of finances, health, addiction, marriages or other relationships, we know the Word of God promises when we call unto Him, He will show us great and mighty things we know not.

There is much to be done to make disciples in every tribe and; nation. We seek to know Christ and make Him known. We need to continue to pray to the Lord of the harvest that He will send laborers into the fields for the harvest is plentiful, but the laborers are few.

God truly blessed South Carroll this past year, all honor, glory, and praise to Him. God has been faithful to us by opening many doors through which the congregation walked by faith and in love. First, we walked through the gathering door in two ways; the first is that we were able to call a family pastor, Andrew Jones, to enable us to serve the children and teens. Our teen group is a three-way partnership with teens from New Beginnings and Frederick First and the second way was to invite Primera Iglesia to use the church building to hold a bible study and Sunday service this partnership has included times of fellowship and participating in a Christmas Concert together. Second, we walked through the growing door by taking an entire month to spread some Jesus in our community through random acts of kindness thus stepping outside of our comfort zones. Third, we walked through the giving door as we used time and talents for worship, to support ministries, fellowship, and outreach events. In addition, we walked through the giving door as we completely repaved the parking lot of the church and provided a stair chair lift for people to be downstairs for fellowship. We did not incur any debt by doing both! Fourth, we walked through the going door by walking into our community in a variety of ways such as the Upper Room, Birch Manor, Crisis Care kits, Drive-Thru Prayer, and other fellowship and outreach events.

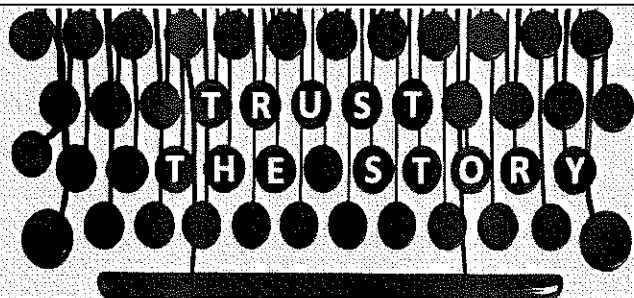

Our goals for 2020 is that by faith and in love, we will spread the gospel of Jesus Christ to our community. We plan on have multiple times of worship together with Primera Iglesia. Also want to explore the possibilities of other outreach avenues within the local community. We will be praying for God's guidance and heart to achieve His mission.

2019 was Impact Church's first full year, and it was an amazing year full of God's blessings in unexpected changes. Impact Church met in 3 different locations in 2019. Even though we had not planned or had a desire to move, each move led us to where God wanted us to be. On November 3rd, God opened a door to a hall that not only fit our needs better than our other two locations, but it was also half the price. We all know that the church isn't the building, it is the people. Well, Impact Church knows that really well! God also opened doors to our community in two major ways. First, we have been able to partner with local charities and nonprofits this year through our quarterly giving. For every first time visitor, we have donated \$2 on their behalf to an organization we have partnered with. This year, we were able to help a local pregnancy center, Baltimore Child Abuse Center, Sykesville Middle School, the South Carroll food bank, and Randallstown Elementary with our Christmas Angel tree program. Second, we have partnered with the local Parks and Recreation department to make a difference in our community. After our planned Easter Community event fell through, we decided to call the Parks Department to see if they needed help with their Easter Egg hunt. We learned that they were about to cancel their event because they did not have any volunteers. After attending their Board Meeting, we helped them run the community Easter Egg hunt that 350 people showed up to. Since then, we have been asked to be on the Parks and Recreation Board and have helped run their monthly Summer movie nights, park cleanup, farmers markets, and Christmas events. Through all of our partnerships, we have been able to serve over 2000 people in our community this year. In 2020, we plan to continue to be difference makers in our community through our local partnerships and discipleship of one another. By God's help, 9 people have been baptized this year through the ministry of our church.

Due to an unfortunate injury to the lead pastor at Community of Hope Church, the Lord has amazingly opened doors that has allowed current leaders to take on greater challenges and caused some new leaders to step into unknown territories. Both leader types have discovered that they can accomplish more than they could ever think or imagine. I wish to thank the entire COH Leadership Team and others for all the hard work & time that was put into maintaining the administration & ministries of the fellowship. Additionally, we at COH desire to thank the Mid Atlantic District & all the pastors & speakers that provided the Sunday messages for 5 1/2 months during the pastor's absence.

Regrettably, during this time the attendance has dropped significantly, but with the continual development of these good leaders, we can be more intentional & purposeful to reach our continious church G.O.A.L.!(Worship God, love One Another & reach the Lost).

COH is currently in the process of implementing a congregational challenge to increase the fellowship body via "friendship" evangelism...pray for 5...bring 3...disciple1.

Sadly, there were no baptisms this year through the ministry of the church.

In response to the changing community in which we serve, we began Introduction to Spanish classes for English speakers. Our signage displays announcements that share the information about classes, and brings attention to the fact that we are still alive and stand as a service to the community. We are welcoming visitors to the Spanish class and Sunday morning services.

With God's help, we shall see some of these visitors become members in the near future. One gentleman in particular, new to the neighborhood, came to visit a few months ago. He works on Sundays, but was off for a couple of weeks. He recently visited again and announced that he is changing his work schedule so that he can continue to involve himself with the congregation consistently. He has succeeded in getting 2 Sundays off each month so far and is now involved in our newly formed men's ministry. Another young man visited Grace who had attended the church as a child. He said that he would be coming back home. We will be starting a new members' class, date tba.

By God's grace, our language classes will resume in March. We will also include an English class this year for those to whom Spanish is their first language. We will continue to bring to the community the gospel of Jesus Christ and the hope that is available through Him. We live and serve in expectation of God's harvest, and we continue to open our doors to the community for church related celebrations and funerals.

There were no baptisms in 2019, but with God's help that will not be the case in 2020.

This year at Westminster Church of the Nazarene we have done some things that we have never done before. During our Summer missional emphasis our church collected tissues for local schools so that we would have an entry point to help them. We sent the tissues in two deliveries, and our second shipment of tissues went to the school just as the cold and flu season was getting into full swing. We received a thank you note from the school that we assisted. The second outreach that we did was at Christmas time, when the congregation brought in cookies, the kids made cookie plates, and we delivered them to local businesses. Many of the businesses that we took these plates to were very appreciative to the folks that delivered. We may not have made a huge difference in our community, but we are starting to engage our community in new ways and are receiving solid feedback from the community that we live in.

By the grace of God we baptized 2 this year.

Agradezco a Dios por las oportunidad de trabajar en su obra. una de las cosas asombrosas que dios esta Hasciendo en nuestra iglesia es la salvacio n de las almas a travez de la predicacio de su palabra.

Nuestra meta para el año 2020 se alcanzar al mayor numero posible de almas, a travez del evangelismo.

Con la ayuda de Dios 27 personas han venido a Cristo este año a travez del ministerio de nuestra iglesia.

The First Haitian Church of the Nazarene in Wilmington bless the name of the Lord for what he has done for us last year. In March, we celebrated our 15<sup>th</sup> year of our church anniversary. In July, we celebrated our 15<sup>th</sup> annual year of our feast of harvest which is also a fund raising that helps our church financially. At the end of July, the kid's director organized a field trip with the kids where they went to New Jersey Aquarium. In August, the youth director organized a field trip with the youth where they went to Hershey Park in Pennsylvania.

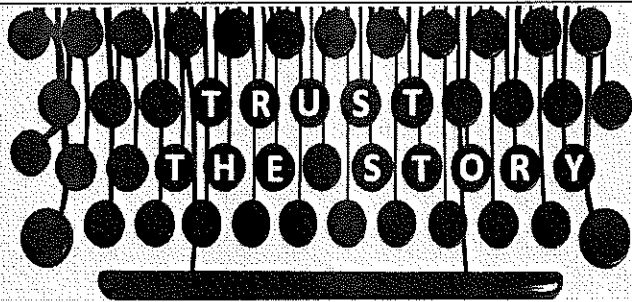

We had two water baptism and five baby dedications and one person accepted Jesus Christ.

In October, we celebrated Sunday school for the second time since we existed.

We can say last year, we faced some difficult times, but by the grace of God we can say we stand firm.

Our goal is still the same to work with and train more Christian people to evangelize the people that they come in contact with.

And by God's help, we would like to see as many people as possible come to the Kingdom of God though the ministry of our church.

Praise God for the open doors represented by the 27 baptized in 2019. "The people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned." The light has dawned on the darkness of addiction, the dimness of apathy, the night of a shame-filled past, the gloom of another religion, the blindness of fear, the shadow of a half-hearted pursuit of God. Darkness has been replaced by freedom, with passion, by forgiveness, with Christ, by faith, with whole-hearted pursuit of Jesus.

Corporate Worship went outside with our Welcome Bash and beyond our walls with our Night of Worship at Cousler Park. Leadership Development happened through the Emotionally Healthy Spirituality course for our Adult Discipleship Group leaders. Group Discipleship reached into neighborhoods with the startup of NOMA Home Groups. Ministry with Children and Youth continued by bringing Chris Fuller on as our Youth and Young Adult Minister and through continuing activities like our legacy Sundays. Compassionate Outreach showed through our partnership with 60 other churches and Habitat for Humanity in the FaithBuild. Intentional Prayer occurred at the altar, in homes, over the phone, with our neighbors.

Our 2019 Annual Challenge was the Discipleship Challenge: 1) Engage with Jesus Daily (be daily in prayer and in the word), 2) Pray to Serve at 10:02, 3) Do the Disciple Loop (be discipled, disciple another. We encourage our people to keep the Discipleship Challenge, and to do the 2020 Leadership Challenge: 1) Listen to God's Voice, 2) Learn Your Strengths, 3) Live Your Call.

I look forward to how we will do this as we relaunch our City Campus under the co-leadership of Jade and Chastity Frederick. And I can't wait to work together as a church during our All Church Mission Week (June 14-19) a one week of intentional blessing for our neighbors. As we develop as disciples, may the people walking in darkness see His great light!
