

Retirement Thank You Expressed

There are not enough adequate words to express my thanks and appreciation for the moments we shared during the 2021 Mission Advance (Saturday, April 10th) recognizing my retirement at the end of this month. Thank you to Dr. David Bowser, district superintendent and the Mid-Atlantic District.

The last 48 years of ministry would not have been possible without the full support of my wife, Darlene and our children, Lynn, Rebecca and Michelle and their spouses and eventually our grandchildren. Their patience and love have been tremendous year after year. Their involvement was paramount to our ministry both in the local parish church for 28 years and 20 years on the staff of the Mid-Atlantic District.

I want to personally thank the many district churches, pastors and lay persons (friends) who sent retirement cards, written notes, letters and gifts which were presented to Darlene and me on Saturday. We thank God for your prayers and support over these many years.

As we officially retire we will remain on the Mid-Atlantic District and hope to continue to have opportunity to serve Christ and the church.

We love you!

Terry and Darlene Sowden
