

BUILDERS' CLUB

BE A PART OF A TEAM THAT
MAKES THINGS HAPPEN!

Builders' Club is a group of people who are passionate about supporting the work of missions both on our district and around the world.

Since 1980, individuals on the Mid-Atlantic District have joyfully donated \$40 or more per year for the underwriting of mission projects on the Mid-Atlantic District and abroad. These funds are usually gifted as "matching grants" to projects approved by the District NMI Council. Contributors to the Builders' Club fund receive an annual update from Mrs Sharon Kessler, detailing usage of monies and providing an opportunity to again make donations.
