Re: Youth Work and Witness Scholarship

To Scholarship Applicant:

The Mid-Atlantic District NMI Council is pleased to offer a scholarship to help support youth interested in participating in the annual youth Work and Witness trip. We recognize that the cost associated with participating in a Work and Witness trip has gone up considerably over the past few years. While we have no control over the cost of the trip, we have made the decision to partner with district churches and individual donors to start a scholarship fund with the hopes of being able to offset the cost of the trip for some individuals.

To be eligible to receive a scholarship, the youth must be signed up on the annual youth Work and Witness team and have paid at least the suggested deposit. The youth must also be active in their local church and show an interest in missions. The application must be filled out in its entirety including the applicant questionnaire, pastor referral, and NMI President/Youth pastor referral. If possible, please have your local NMI President and your Youth Pastor fill out a referral.

Scholarships will be given based on the number of applicants, finances available, financial need, and content of the application. The deadline for applying for a youth scholarship will be September 30<sup>th</sup> of the year the trip occurs, and a decision will be made regarding recipients and amounts of scholarships being awarded no later than October 15<sup>th</sup>.

Blessings,
