## NMI/NYI Youth Mission Team to Chiclayo, Peru 2024-2025 Project - Come "Stand Beside Me"

Dear Team member,

God worked some amazing opportunities for us while we were in Peru last year. Through Facebook we were seen working in the Nazarene Seminary and leading Bible School and a Porcelain Hearts programs in a local church. The District Superintendent from the North Peru District met with us to thank us. As we were talking about how God was moving in the area, he told me of several churches that need concrete floors. I remembered pouring a floor in a church there 19 years before and the incredible impact it made on the ministry there. That church has now grown into a large three-story building with ministries that include working with disabled children in the area. Sometimes just standing and working along side someone, helping to meet a need they have is all it takes. It is much easier to work for the Lord and spend your life serving Him when you know there are people willing to stand beside you.

So, this year's project is to pour concrete floors in SIX churches on the North District of Peru, hold Bible School and Porcelain Hearts programs while sharing the love God has for us. We are excited about the opportunity God has given us to reach so many people by working in different areas around the Seminary.

The District Superintendent, as part of our 'Stand Beside Me' theme, has promised to find fifteen teenagers from these churches to come to the Seminary with us. They will stay, work, share testimonies, site see and walk beside us on our mission trip.

If you feel the Lord asking you to 'Come stand Beside Me' I invite you to join us for a great time of service and worshipping our Lord and King.

Sincerely,

James and Sheila Ellison
